Sun Myung Moon The Unification Church:

The Advent of Sun Myung Moon G. Chryssides, 1991-04-05 The Unification Church popularly known as the Moonies has been viewed as an eccentric and somewhat sinister cult best known for the mass wedding ceremonies conducted by its leader Sun Myung Moon In *The Advent of Sun Myung Moon* George Chryssides remains critical of the movement but brings the reader out of uninformed prejudice by presenting information about its Korean origins its teachings and the many ceremonies which until recently remained undisclosed The book is based on extensive conversations with members and critics alike together with extended periods spent at UC seminars **Sun Myung Moon & the Unification Church** James Bjornstad, 1984 A careful look at the history theology and claims of the Moonies In the Cult Booklets series **To Bigotry, No Sanction** Mose Durst, 1984 *A Remarkable Journey* Jonathan Gullery, 2018-05-02 A chronological overview of the Reverend Sun Myung Moon Dr Hak Ja Han Moon and the Unification Church From its beginnings in war ravaged Korea to its current global activities this photographic record recounts key events in this movement s history **The Advent of Sun Myung Moon** George D. Chryssides, 1991 In writing any account of someone else s religious beliefs and practices any author must find himself between two poles what members of the religion wish to tell and what the public wishes to know Nowhere are these polarities more distant than in the field of new religions The public wishes to know about recruitment brainwashing and fundraising within the Unification Church while the authors discussion with UC members elicited far more material on their own inner spiritual life After consideration the author has concluded that a common meeting ground is simply not possible and that any book including this one has to be a compromise As a Peace-Loving Global Citizen Family Federation for World Peace and Unification Australia, Sun Myung Moon, 2011 **Sermons of the Reverend Sun Myung Moon** Sun Myung Moon, 2020-04-02 The basic theology of the Unification Movement and the essential teaching of Reverend Sun Myung Moon and Dr Hak Ja Han Moon The Divine Principle reveals provocative new insight into God s principles of the created world the deeper nature of the Fall the nature of salvation the mission of Jesus and the Second Coming of Christ Sun Myung Moon and the Unification Church Frederick Sontag, 1977 "Moonies" in America David G. Bromley, Anson D. Shupe, 1979-11 Moonies in America advances our understanding of social movements using the particular data provided by a study of the Unification Church one of the most widely known and least understood of the cults which blossomed in the 1970 The organizational structure historical developments and society s response to the Reverend Sun Myung Moon s movement are examined in detail Shupe and Bromley have written an important book with an analysis which is based on sound empirical study and which is genuinely original at the theoretical level It is a book which can without reservation be recommended to anyone with the slightest interest in the dynamics of resource mobilization in the case of a world transforming movement *The Moon is Not the Son* James Bjornstad, 1976 **The Unification Church of Sun Myung Moon** James Newton Lewis, 1978 The Rising of the Moon John Allan, 1980 **Messiah** Bo Hi Pak, 2000 Messiah My

Testimony to Rev Sun Myung Moon is an autobiographical account of Dr Bo Hi Pak's forty year association with the founder of the Unification Movement. Dr Pak is a former South Korean diplomat who is the principal assistant and translator to Rev Moon. This personal testimony thoughtfully describes the motivations behind the scenes activities and inner workings of the Unification Movement. Volume II covers the years 1978-2002. **The Unification Church-- Sun Myung Moon** Philip H. Lochhaas, Lutheran Church--Missouri Synod. Commission on Organizations, 1978. As a Peace-Loving Global Citizen Sun Myung Moon, 2012-10-15. A first person account by Moon about his family and childhood roots, his call from God and the terrible persecution he overcame while in Korea to found his church and lay the foundation for his world wide mission.

The Truth about the Reverend Sun Myung Moon Unification Church, 1976*. Light of Glory Linna Rapkins, 2018-05-09. *Light of Glory* is a collection of fictional stories that follow the lives of True Parents, the Rev Dr Sun Myung Moon and his wife Dr Hak Ja Han Moon, the founders of the Unification Church. Though these stories are not factual, they represent the spirit and experiences of True Parents in their youth. The book is written in four parts, with each part referring to True Parents by both their birth names, Sun Myung Moon and Hak Ja Han, and by their respective titles as they changed throughout their lives. The four parts are: Part 1 The Early Years, Part 2 Sun Myung Moon Begins His Ministry, Part 3 The Early Days of the Unification Movement, Part 4 Our True Parents. True Father was called Sun Myung Moon or just Mr Moon in his early years, into adulthood and then later called Teacher Moon when he began his ministry in the 1950s in North Korea. Unificationists have since called him True Father and his wife True Mother. Eventually together they came to be known as True Parents. The decision to re-release *Light of Glory* was made to introduce the heart of True Parents to a new generation of readers in light of their ongoing ministry. Home Church Sun Myung Moon, 1983. **Split of the Unification Movement** Jongsuk Kim, 2017-06-30. This book is a study of the history of the split of the Unification Movement from 1998 to 2016. Specifically, the author studied the reasons, process, and the results of the split of the Unification Movement around the time of the Rev Sun Myung Moon's death in September 2012. The book aids the reader to put together the pieces to understand the actions and consequences of the often opaque leadership of the various organizations of the Unification Movement as the True Mother, Mrs Hak Ja Han Moon, Hyung Jin Sean Moon, youngest son of Rev Moon, and other leaders of the Family Federation take over the organizations the late founder left behind. The author states that the current Family Federation led by True Mother, Mrs Hak Ja Han Moon, is theologically different from the organization led by True Father, Rev Sun Myung Moon. The book also presents a hint as to what challenges lie ahead in the future of the Unification Movement. Note: This is an advanced copy of the Korean version of the book. Please note that there may be some translation issues. A better developed English version is in the works. **The Life and Teachings of Reverend Sun Myung Moon** International Educational Foundation, 2006. Volume 1 in series *Creating a World of Peace: The Thought and Works of Sun Myung Moon*.
