Good news: your inner planets have the answers. You are so much more than your Sun sign and a vague newspaper horoscope. This book guides you through the astrology of all the inner planets so you can better understand yourself, your partner, your friends, your coworkers, and even your boss. Each chapter is dedicated to one of the twelve zodiac signs and features details on its element, modality, and best and most challenging qualities. Explore how that sign combines with each of the inner planets: Sun, Moon, Mercury, Venus, and Mars, and the rising sign to influence personality. Discover what planetary placements teach us about each sign's tendencies surrounding fulfillment, seduction, and more. With this book's astrological insights and real-world applications, you will improve relationships with the people in your life, including the most important relationship of all: the one with yourself.
