Sun Came Down:

The Sun Came Down Percy Bullchild, 2005-01-01 At the age of sixty seven Percy Bullchild 1915 1986 a Blackfeet Indian from Browning Montana with little formal education in English set out to put the oral traditions and history of his people into a permanent written record He regarded this undertaking to write the Indian version of our own true ways in our history and legends as he puts it as both a corrective and an instructive tool Bullchild culled this remarkable collection of historical legends from his memory of the oral history as it was passed down to him by his elders and by seeking out the oral traditions of other tribes These stories like all legends Bullchild reminds us may sound a little foolish but they are very true And they have much influence over all of the people of this world even now as we all live Woody Kipp provides a preface for this Bison Books edition

Before the Wall Came Down Rupert Stebbings, 2024-06-19 The narrative of *Before The Wall Came Down* takes place in many overlapping planes Together with his personal experiences the author worked and traveled in the company of friends retracing the forays of a man who crossed Eastern Europe meeting a myriad of people some of whom have had a historical and relevant impact on his life described with unexpected anecdotes The description of a time that seems to have crystallized thanks to the supporting evidence of magnificent photographs returns with nostalgia and melancholy through images that have become history a peasant world that Rupert had the privilege of witnessing with his own eyes and thanks to his lens documenting and immortalising forever Moments of real life which in some moments become hilariously humorous a leap in time which opens a window onto a crucial historical period for the XX century the fall of the Berlin Wall at the end of the 1980s which in cascade is reflected throughout the Soviet bloc A heartfelt story to be read carefully It s impossible not to feel elegiac for those who in those years had the opportunity to take a trip and develop a camera roll and that the author generously unveils A reflection too compared to the bulimic consumption of images taken on cell phones and junk speed society of today Rupert
