Sundance John Benteen,1992 **The Wild Stallions** John Benteen,2015 The Appaloosa horses bred by Chief Joseph s Nez Perce Indians were the finest anywhere That s why the Army wanted to get its hands on the herd so it could breed up top quality remounts and ride the Indians down even easier To do it they hired a sadistic horse trader named Luke Drury There was just one problem Jim Sundance had no intention of letting Drury or the Army get their hands on the Appaloosas Instead he planned to sell them to an English aristocrat and have them taken out of the country But Drury played rough up to and including cold blooded murder So now it became a race against time Hunted every step of the way Sundance and the beautiful Lady Bucknell had to get the horses to the relative safety of Mormon country and then get them shipped out to England But they were going to fight on their hands one that could only end in wholesale slaughter Wild Horses, Wild Wolves Maureen Enns,2013 Established in 1967 the Ghost River Wilderness Area located along the eastern slopes of the Rocky Mountains in southern Alberta is one of only three provincially designated wilderness areas in the province As such it is supposed to have the strictest form of government protection available in Canada with development motorised transportation and recreational activities either tightly controlled or altogether forbidden This has not been the case however Using a stunning combination of drawn and painted images conventional and remote photography using hidden cameras activated by heat or motion and traditional stories told by Peigan and Stoney Nakoda people Enns invites the reader to join her as she untangles old myths regarding Alberta s heritage and reveals some uncomfortable realities facing the province in the 21st century The wild horses wolves moose deer and bears profiled in this book have had little contact with humankind As communities developers and governments struggle to understand the affects of conservation recreation and development in sacred places it is becoming more and more difficult to keep the wild in wild animals This project is a passionate plea for understanding conservation and action Boys' Life ,1972-08 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting
