## **Sunday After The War:**

Sunday After the War Henry Miller, 1944-01-01 I always carry over 40 000 gold francs about with me in my belt They weight about 40 pounds and I am beginning to get dysentery from the load A collection of stories and excerpts from longer works Sunday After the War Henry Miller (Schriftsteller, USA), 1944 *80 Years After the Second World War* Sobhy Fahmy Amin Iskander, 2023-11-22 About the Book Book 5 in a series of six write ups of all the old bibles and new masses at some of the Christians s known bible and masses such as Catholic and Coptic Baptist Protestants at one reference About the Author Sobhy Fahmy Amin Iskander enjoys building churches and partaking in church activities He is an avid fan of all things sports *Henry Miller* Lawrence J. Shifreen, 1979 No descriptive material is available for this title **Sunday** Craig Harline, 2011-09-13 Originally published New York Doubleday a division of Random House 2007 **In the Polish Secret War** Marian S. Mazgaj, 2009-01-14 Born in the Polish village of Gaj in 1923 Marian Mazgaj was a teenager when Germany invaded his country and launched Poland into the combat of World War II Too young to join the Polish army within a few years he became a member of the Sandomierz Flying Commando Unit a unit which merged with the Jedrus Polish underground group This memoir provides a vivid record of Mazgaj s career in the military The Sandomierz Flying Commando Unit and the Jedrus underground were actively engaged in fighting the Nazi forces in Poland during World War II and the author provides a first hand account of the groups roles in attacking and disarming German military units destroying the enemy s grain warehouses and receiving air drops of weapons ammunition and explosives from the Allies He also describes the incorporation of his partisan group into the Home Army whereby he and his comrades became the Fourth Company in the Second Regiment of the Second Division gaining strength and destroying many more German units **The Destructive War** Charles Royster, 2011-09-14 From the moment the Civil War began partisans on both sides were calling not just for victory but for extermination And both sides found leaders who would oblige In this vivid and fearfully persuasive book Charles Royster looks at William Tecumseh Sherman and Stonewall Jackson the men who came to embody the apocalyptic passions of North and South and re creates their characters their strategies and the feelings they inspired in their countrymen At once an incisive dual biography hypnotically engrossing military history and a cautionary examination of the American penchant for patriotic bloodshed *The Destructive War* is a work of enormous power Promoting the War Effort Mordecai Lee, 2012-09-17 Though historians have largely overlooked Robert Horton his public relations campaigns remain fixed in popular memory of the home front during World War II Utilizing all media including the nascent technology of television to rally civilian support Horton s work ranged from educational documentary shorts like *Pots to Planes* which depicted the transformation of aluminum household items into aircraft to posters employing scare tactics such as a German soldier with large eyes staring forward with the tagline *He s Watching You* Iconic and calculated Horton s campaigns raise important questions about the role of public relations in government agencies When are promotional campaigns acceptable

Does war necessitate persuasive communication What separates information from propaganda Promoting the War Effort traces the career of Horton the first book length study to do so and delves into the controversies surrounding federal public relations A former reporter Horton headed the public relations department for the U S Maritime Commission from 1938 to 1940 Then until Pearl Harbor in December 1941 he directed the Division of Information DOI in the Executive Office of the President where he played key roles in promoting the New Deal President Franklin D Roosevelt s unprecedented third term reelection campaign and the prewar arms production effort After Pearl Harbor Horton s DOI encouraged support for the war primarily focusing on raising civilian and workforce morale But the DOI under Horton assumed a different wartime tone than its World War I predecessor the Committee on Public Information Rather than whipping up prowar hysteria Horton focused on developing campaigns for more practical purposes such as conservation and production In mid 1942 Roosevelt merged the Division and several other agencies into the Office of War Information Horton stayed in government working as the PR director for several agencies He retired in mid 1946 during the postwar demobilization Promoting the War Effort recovers this influential figure in American politics and contributes to the ongoing public debate about government public relations during a time when questions about how facts are disseminated and spun are of greater relevance than ever before
