Sunday Monday Faith In The World:

Sunday's Sermon for Monday's World Sally A. Brown, 2020-04-07 What can preachers do to help congregants navigate everyday life with the courage imagination and savvy it takes to testify in action and word to God's mercy and justice Christianity's witness depends on credible Christian lives carried out in ordinary settings of everyday life Sunday's Sermon for Monday's World helps preachers design sermons that equip believers to act with improvisational creative courage in the ordinary settings of their Monday to Saturday lives How can we who preach inspire the ordinary prophets of our time those who in Christ's name will act in great or small ways as agents of redemptive interruption Sally A Brown with her extensive experience both in parish ministry and training others for ministry shares preaching strategies that equip these ordinary prophets to take daring action Brown begins by reconsidering the power and limits of the missional model of Christian witness and argues that Christian witness today must be adaptive and therefore imaginative and improvisational She then turns to the connection between the sermons our listeners hear on Sunday and their capacity to timely inventive action in everyday situations Sunday's Sermon for Monday's World will inspire both preachers and those who listen to them to move from sanctuary to street week after week eager to discern and participate in the ongoing redemptive work of God already under way amid the ordinary scenes and settings of their Monday to Saturday lives **Sunday Monday** Christine

to respond to inquirers who had come to him morally and spiritually defeated They were inwardly beaten thus outwardly ineffective The book responds with individual and social emphases and goes step by step as if on a ladder to work through the pressing questions of the inner life and how it extends outward How do we achieve a life evidencing the peace that passes understanding even in ourselves let alone passing it on What makes the difference between ordinary living and extraordinary victorious living How can we build a new inner strength that shines through in our outward character and relationships Our own efforts to rise above are ineffective but by applying the power of God's Word we can close the gap between our reality and our beliefs Each daily reading offers essential truths and eternal principles keys to victorious living in the circumstances we encounter every day Now this vibrant work is making a long deserved comeback with a new foreword by Leonard Sweet The Monday Connection William E. Solving the Missing Member Puzzle Arlon K. Stubbe, 2005 Something is wrong People are going missing right in front of your eyes One minute they are staring back at you from their favorite pew the next Sunday you are looking at an empty spot in that pew Is there a way to determine ahead of time which members are the likely religious dropouts Often the clues are clearly visible but can you recognize them What's more do you know what you can do now to keep your missing members from drifting away The secret lies in knowing and understanding the attitudes and belief systems that people hold because certain sets of attitudes are linked to inactivity A detailed examination of this distressingly common experience Solving The Missing Member Puzzle can help you spot potential dropouts in advance learn the reasons why they become inactive and counteract the process with a proactive strategy for reaching them while they are still within your grasp Based on blind interviews with individuals from ten different congregations it reveals the underlying attitudes and belief systems that encourage or discourage dropping out of church Solving The Missing Member Puzzle is a valuable tool for leaders of any church or organization it shows how you can develop more faithful members and assists in their growth participation and retention Don't wait until people drop out before you take action Learn ways to anticipate which members of your congregation might become inactive and the preventive measures that you can take to help keep them in the pews Arlon K Stubbe is the pastor of Christ Lutheran Church in Sharon Pennsylvania He previously served parishes in Michigan He is also the author of *Shaping the Word* LPTC Publishing He is a graduate of Carthage College and the Lutheran School of Theology at Chicago

Content Matters Leif Fearn, Eric Fearn, 2013-06-26 A critical question in social studies education is not whether teachers develop and teach units of study but what is in the units of study teachers develop and teach Curricular planning and instruction must focus on what we teach in the social studies classroom It is not uncommon for students to experience fine units about the westward movement and exit the fifth grade with little or no geographic literacy Most students leave middle school grades unable to name even one person who made a difference in the history of Indian people in the United States After three to five years of history classes high school students routinely self report that history is boring And it is the rare middle school graduate who knows how to use a free enterprise economy for his or her benefit This book explains the content of nine areas in social studies If teachers know what history biographical studies and the United States Constitution mean for instruction they can increase the probability of better focused content in their social studies instruction
