*The Secrets of Women in Middle Dutch* Orlanda Soei Han Lie, Willem Kuiper, 2011 A poet head over heels in love with a charming lady writes a book at her request on intimate matters concerning women. It is a delicate undertaking not only because it is a relatively unknown subject for him but also because he does not want her to be angry with him when she reads about these highly personal matters. This is how *Der vrouwen heimelijcheit*. *The Secrets of Women* begins. An intriguing characteristic of this fifteenth century text is the way in which the author has alternated scientific knowledge of the medieval *artes corpus* with a personal love complaint. He interrupts his gynaecological exposition in twenty odd places to express his love in lyrical terms. To make the text available for an international readership this publication provides a cultural historical introduction and presents the Middle Dutch *Secrets of Women* together with an English translation. **The Wiley**

**Mere Bagatelles: Women's Diaries from Ireland, 1760-1810** Amy Prendergast,2024-09-13 Honorable Mention in the ACIS Robert Rhodes Prize for Books on Literature 2024 An Open Access edition of this book will be available on publication on the Liverpool University Press website and the OAPEN library Engaging with previously

overlooked diaries by women in Ireland written between 1760 and 1810 this book opens new avenues concerning authorship and female agency transforming our understanding of women s contributions to both literature and culture The result of extensive archival research across multiple international archives this book presents an entirely new corpus that demonstrates the creativity and literary capabilities of women in this period The surviving diaries showcase these women s engagement with a form that allowed them to explore their subjectivity and to experiment with the presentation of self This book demonstrates how these bagatelles should be treated as literary works that were shaped by and in turn influenced wider cultures of reading and writing underlining the generic fluidity at play The diary form forces a dismantling of the neat binaries of public and private of imaginative and non imaginative prose writing complicating our understandings of each The content of these diaries prompts a re evaluation of the very contours of Irish writing and what we consider as literature while allowing us to rediscover the importance of manuscripts to our explorations of literary culture     The Harriet Jacobs Family Papers Jean Fagan Yellin,2015-12-01 Although millions of African American women were held in bondage over the 250 years that slavery was legal in the United States Harriet Jacobs 1813 97 is the only one known to have left papers testifying to her life Her autobiography *Incidents in the Life of a Slave Girl* holds a central place in the canon of American literature as the most important slave narrative by an African American woman Born in Edenton North Carolina Jacobs escaped from her owner in her mid twenties and hid in the cramped attic crawlspace of her grandmother s house for seven years before making her way north as a fugitive slave In Rochester New York she became an active abolitionist working with all of the major abolitionists feminists and literary figures of her day including Frederick Douglass Lydia Maria Child Amy Post William Lloyd Garrison Susan B Anthony Harriet Beecher Stowe Fanny Fern William C Nell Charlotte Forten Grimke and Nathan Parker Willis Jean Fagan Yellin has devoted much of her professional life to illuminating the remarkable life of Harriet Jacobs Over three decades of painstaking research Yellin has discovered more than 900 primary source documents approximately 300 of which are now collected in two volumes These letters and papers written by for and about Jacobs and her activist brother and daughter provide for the thousands of readers of *Incidents* from scholars to schoolchildren access to the rich historical context of Jacobs s struggles against slavery racism and sexism beyond what she reveals in her pseudonymous narrative Accompanied by a CD containing a searchable PDF file of the entire contents this collection is a crucial launching point for future scholarship on Jacobs s life and times     The Hebrew Bible in Contemporary Fiction and Poetry Lena-Sofia Tiemeyer,2025-03-31 This book discusses 20th and 21st centuries literary retellings of biblical texts focusing on how fiction and poetry fill the extant narrative gaps present in the often sparse biblical accounts and align the narratives with theological and or cultural expectations of modern interpreting communities The chapters written by an international group of scholars explore biblical retellings in a variety of modern languages ranging from Korean and Chinese to Hebrew and Arabic Most of the contributions deal with retellings of the narrative books Genesis Exodus Judges Ruth 1 2 Samuel Daniel but a few are

devoted to prophetic Hosea and poetic Psalms ones Another set of articles looks beyond specific biblical books and instead analyses how the Bible has been retold in different literary genres Children and YA literature sci fi and fantasy Christian Inspiration fiction and in modern political discourse North and South Korea All the chapters further highlight how literary retellings of the Bible form two way movements They reveal the often subversive quality of literary retellings retellings not only emphasise those nuances in the biblical texts that create unease but also problematise their standpoint and question their moral and theological message The Hebrew Bible in Contemporary Fiction and Poetry is suitable for students and scholars of biblical studies working on intertextuality and reception history It is also of interest to those working on comparative literature particularly with regards to the Hebrew Bible in popular culture and literature
