Michael Pertschuk brings an insider's insight to the tumultuous years of the sixties and seventies when the consumer protection bells rang from Washington throughout the land. An engrossing story of corporate versus consumer battles over health safety and the economic rights of Americans. The future of consumer justice is given wisdom by this eyewitness account. Ralph Nadar: This is a book that should be read by everyone with a stake in regulation of business by bureaucrats in Washington. Whether you agree or disagree with his point of view and I often disagree, you can always count on Mike Pertschuk to be provocative, stimulating, and certainly controversial. Howard H. Bell, President American Advertising Federation: There is a lot of businessmen who disagree with this book. It's troublesome and disturbing, not the least because Mike Pertschuk is a tough adversary. But any businessman or citizen who wants to know exactly how the politics of regulation work would be well advised to read this book and be prepared. George Koch, President and Chief Executive Officer Grocery Manufacturers of America: Must reading for everyone who is a student of the consumer movement past, present, and future, and its interaction with the government, media, private sector, et al. It is a superb How To manual on tactics and presents a rare inside look at how things really get done in that place called Washington, D.C. Calvin Pond, Vice President Public Affairs Division Safeway Stores Inc: Pertschuk's book is outstanding; it is a beautiful blend of personal, firsthand observation and political and policy analysis. Aaron Wildavsky, University of California Berkeley: A rare picture of how government works, sprightly, lucid, and appealing, remarkably candid and honest, not only in revealing the labyrinthian interplays of politics but in disclosing the author's own attitudes and motives. An extraordinary document. Charles Lindblom, Yale University: There is no more controversial figure in Washington than Michael Pertschuk. Senator John Danforth: This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact.
