His ways allow such a book to have been written and preserved through the ages It is true that Revelation is a difficult book and takes effort to understand but it is also true that it is understandable to those who make an effort To those who will make an effort God even pronounces a blessing Hopefully this book will help many to better understand this final book and capstone of God s cannon of His revealed truth for us It is the goal of this writing to present an account true to scripture that is understandable to the lay reader Mededelings University of South Africa, *South African Poetry* Douglas Ridley Beeton,W.
