

Sunset

*As the day comes to a close, I feel my heart
take flight.*

*For the sight that awaits me is truly a
beautiful sight.*

*With hues of orange, pink and red, painting
the sky so high.*

*The sunset takes my breath away, it makes
me want to sigh.*

*Each night it's a different show, a
performance of its own.*

*With colors that change and shift, never
quite the same, never quite shown.*

*I watch in awe as the sun dips below the
horizon line.*

*And the sky is filled with wonder, a
breathtaking sight divine.*

Exurbia Now David Masciotra, 2024-04-02 Focusing on greater Chicago Masciotra argues that the exurbs home to both monster trucks and liberals are becoming a key political arena New York Times Book Review The suburbs have become too liberal and diverse for many white American conservatives so exurbia areas outside the cities and their suburbs are becoming the staging ground for the radical right extremist insurgency Beyond a fanatical devotion to former president Donald Trump one of the curious things that united the rank and file of the January 6 insurrectionist mob was that many of them were residents of one of America's fastest growing residential areas Exurbia Home to the likes of Georgia's Marjorie Taylor Greene Ohio's Jim Jordan big box retailers chain restaurants monster trucks and megachurches exurbia is becoming America's greatest political battleground more important to American politics than urban or rural America In this brilliant work of political and cultural inquiry veteran political journalist David Masciotra provides a definitive account of what exurbia is how it came to be and how it's transforming American life Zooming in outside the greater metropolitan area of Chicago where Masciotra grew up he shows how exurbia has become a safe space to fly the MAGA flag and romanticize the mores of the pre civil rights pre feminist pre gay rights 1950s But as Masciotra also shows reactionary white flight is not the whole story of small town America The story often lost is the power and persistence of small town liberals people who believe in equality celebrate diversity and enroll in movements for justice Exurbia as it turns out is ground zero for the fight over a democracy mightily beleaguered yet still full of promise and still worth fighting for Combining interviews research and anecdote and anchored in personal experience Exurbia Now delivers a powerful ballad on the state of small town America and provides a sense of the fight for democracy on the ground in the heartland *The Alumni Grill* Suzanne
