alive and relevant **Sunshine Sketches of a Little Town (Classic Reprint)** Stephen Leacock,2015-07-11 Excerpt from Sunshine Sketches of a Little Town I know no way in which a writer may more fittingly introduce his work to the public than by giving a brief account of who and what he is By this means some of the blame for what he has done is very properly shifted to the extenuating circumstances of his life I was born at Swanmoor Hants England on December 30 1869 I am not aware that there was any particular conjunction of the planets at the time but should think it extremely likely My parents migrated to Canada in 1876 and I decided to go with them My father took up a farm near Lake Simcoe in Ontario This was during the hard times of Canadian farming and my father was just able by great diligence to pay the hired men and in years of plenty to raise enough grain to have seed for the next year s crop without buying any By this process my brothers and I were inevitably driven off the land and have become professors business men and engineers instead of being able to grow up as farm labourers Yet I saw enough of farming to speak exuberantly in political addresses of the joy of early rising and the deep sleep both of body and intellect that is induced by honest manual toil I was educated at Upper Canada College Toronto of which I was head boy in 1887 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Sunshine Sketches of a Little Town](#) Anon,2011-10 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **Sunshine Sketches of a Little Town** Stephen Leacock,1963
