## Rebuild and Explode Forward

Super Achievers aren't afraid to take a step back and rebuild their businesses (in part or in whole) with strategies that will explode them forward. **Fear** stops most people from making changes or completely starting over in business. They continue to do the same thing day in and day out that hasn't worked and will never work, because they are too afraid to do something different. Don't continue to allow **fear** to keep you trapped! Take a step of faith and rebuild your life and business so that you can finally move forward instead of continually being held back.
