village's only tourist attraction it brings in much of the money that keeps Bethlehem afloat The festivities are held on publicly owned land which might be a slight violation of the separation of church and state but no one has ever complained until Tish Verek comes to town Verek is a true crime writer from New York and not long after she kicks up a fuss about the pageant she's shot dead in an apparent hunting accident Anyone in Bethlehem could have fired the fatal bullet and it's up to ex FBI investigator Gregor Demarkian to decide which Christmas obsessed villager is really a grinch in disguise
