Sweet Venom Tera Lynn Childs, 2015-05-13 Three sisters One destiny Nowhere to hide Grace just moved to San Francisco and is excited to start over at a new school The change is full of fresh possibilities but it's also a tiny bit scary It gets scarier when a minotaur walks in the door And even more shocking when a girl who looks just like her shows up to fight the monster Gretchen is tired of beasties pulling her out into the dead of night but what can she do Sending the minotaur back to his bleak shadowy home is just another notch on her monster hunting combat belt But running into a girl who could be her double is a twist she didn't see coming Greer has her life pretty well put together thank you very much But that all tilts sideways when two girls who look exactly like her appear on her doorstep and claim they're triplets supernatural descendants of a terrifying mythological creature destined to spend their lives hunting monsters Three teenage descendants of Medusa the once beautiful Gorgon maligned in myth must reunite and embrace their fates in a world where monsters lurk in plain sight **Memoirs of My struggles** Neil Chuma, 2016-11-23 The war on drugs has created many problems in our society This book is an autobiographical alternative account of the author's life and how he came to face one of the most difficult laws ever imposed The book explores many themes such as racial identity prison crime and punishment poverty sex love drugs politics religion philosophy death and human identity The author delves deep into many themes considered taboo and dares to write what many fear to even consider an issue Discover a new way of looking at the world from the eyes of the man who has faced adversity in all its might **Sequels** Janet G. Husband, Jonathan F. Husband, 2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series **When Magic Burns** Tera Lynn Childs, 2015-10-27 When magic burns the world ignites There is no fiercer fae in the Morainian guard than Regan McCrae Orphaned as a child she has dedicated her life to the protection of her clan She eats sleeps and breathes her noble duty Only in her most private thoughts does she admit to be dreaming of romance and of capturing the heart of her clan's younger prince When she learns he has been taken prisoner her only thoughts are of rescuing him But her captain and her high prince have a more desperate mission in mind Cheerful and cheeky Peter Duncan comes from a long line of human seers who are sworn to guard the unseelie fae when they are vulnerable in animal form Those in his position are expected to remain neutral but he's always been friends with the Moraine He doesn't care about stodgy old rules and regulations But he does care about doing something more valuable with his life than just standing watch When the high prince calls him to the palace and asks for his help he jumps at the chance As danger and destruction loom at the edges of the fae realm a faithful warrior with a secret longing and a human who has never taken anything too seriously must attempt an impossible task where failure means unimaginable consequences **When Magic Falls** Tera Lynn Childs, 2016-04-28 When magic falls realms collide Mel Ackerman knows her life is anything but magical With her mom's never ending stream of loser boyfriends a deadbeat dad she's never even met and a tiny room in the trailer she calls home

the only magic in her life exists in the fairy tales written by her best friend Until she learns that the stories real and she is the daughter of a fae god But being a demigoddess isn't all perks and powers it also comes with an evil psychopath who wants to kill her Yay The human world holds nothing but bad memories for Liam MacNeil but as captain of the palace watch he places his duty before his own desires Even when that duty requires him to oversee the training that will teach the god of fire's daughter to master her long dormant magic As they spend countless hours together he faces a temptation like he has never known and the possibility of a salvation he never hoped to deserve With a traitor on the loose who seeks to bring about the destruction of the entire fae realm a not so human girl with powers unlike the world has ever seen and a warrior haunted by his past are thrown together in a battle for their lives that just might cost them their hearts **Encountering**
