Boss Tracy Brown,2017-04-04 Crystal Scott has the world at her fingertips At the height of her career at a wildly popular magazine and on the rise in an enviable social circle she s beginning to think that maybe she can have it all But her entire life body and soul is threatened when Troy Mitchell the man who stole her heart and shattered her world a decade ago returns Crystal has never felt the insatiable passion she felt for Troy since and she s never forgotten the harsh sting at betrayal when he left her and her family devastated in his wake SongCite William D. Goodfellow,2014-02-04 First Published in 1999 This is the first supplement to the initial SongCite publication and serves as an index to recently published collections of popular songs 201 music books have been included with over 6 500 different compositions listed The vast majority of the collections is comprised entirely of vocal music although on occasion instrumental works have been included *Sweet and Savory* Jaida Jewel,2022-06-10 Sweet but I still didn t feel fulfilled I kept getting this nagging feeling that it just wasn t enough that I need more The raw truth hurts sometimes which is one reason not so many people can truly deal with it or have it present in their lives I ve lost many people on my path and I could never wrap my head around it I am constantly looking for the why and forever needing a reason to keep on striving One day I realized that I was the only reason that mattered I was indeed the only person keeping me going This power I continued to search for outside of myself has always been within me If you ask a person if they re happy they ll proceed to tell you all of the external reasons why if they happen to say yes never touching on the intimate reasons what they have to tell themselves to keep going Self love is so far from the truth that society is custom too It would shock most to know the way I healed these deep wounds was by love listening to my own needs and listening to music that my spirit was calling me to that day As shocking as it may be to know that crying is one of the best antibiotics there is to release pain confusion jealousy egotistical habits and the need to self sabotage to be free of the old life you were stuck in to know you had the key all along is something you d never forget I hope one day I m able to continue showering this

world with love and gems of knowledge that I've learned on my way. We as a collective deserve better. We deserve to heal. I see so many people repeating the same patterns thinking they can't escape or that it's the only way. We were meant to love on the next and spread fruits of wisdom to nourish our loved ones. I understand it's a big responsibility to say I have something that can help change the world but with how I see it, I can start with one book at a time. Tatted on My Neck Nique Roberson, 2009-09-01 PART ONE of a TRIPLE FEATURE filled with music, tattoos, tears, brawls, vengeance, and love. Nothing is as real as your ink. Ride back with the class of 1997 and see the crazy things we do in the name of love and hate. CHANTAL is a Philly songbird longing for the love she never got at home. The neighborhood slut she gets caught sleeping with a married teacher and is sent to California to get some tough love from her brother. Former model SHALONDA was born to have the best. Her baby boo CHRIS, a multi-talented tatted up NFL superstar to be, is her key to the good life. Their four-year relationship has been rocky but he does everything she wants just to keep her smiling. Once in L.A. hooking up is the last thing on Chantal's mind but the minute she steps on campus, girls violently threaten her thinking she wants every chick's boyfriend. After one threat too many, Chantal gives them all something to be mad about. Rumors about Chantal and Chris fly overnight but Shalonda's not about to lose her ticket to fortune. She uses every trick her mama taught her to keep her man even if that means getting another man on the side. But Chantal isn't looking for love. She just finds the friendship and family she's always wanted in Chris. The more her own family shuts her out, the more he lets her in. And as lies and jealousy threaten to destroy his future with Shalonda, Chris turns to the very woman he should be running away from. They all fight it but what Chris and Chantal share is as real as the tattoos on their backs and it runs deeper than ink. But Shalonda vows there's no way she's going to be the only one left in tears.
