Sweetest Heart A About Love:

"Ethel's Love-Life" and Other Writings Margaret J. M. Sweat, 2020-12-25 In a series of lengthy letters the unsettled and unruly Ethel Sutherland writes to an initially unnamed and ungendered correspondent and patiently discloses the troubled history of her past romantic attachments to both men and women Not until the third letter does she reveal that her correspondent is Ernest the man to whom she is engaged to be married Wanting to make him understand how all of her past loves are included and sublimated in her love for him she especially wants to explain how women often love each other with as much fervor and excitement as they do men and although this love is curiously freed from all the grosser elements of passion as it exists between sexes nevertheless it retains its energy its abandonment its flush its eagerness its palpitation and its rapture Margaret Jane Mussey Sweat 1823 1908 a native of Portland Maine and wife of a United States congressman published *Ethel's Love Life* in 1859 The book is sometimes credited as an early even the first lesbian American novel but such a label Christopher Looby observes in his Introduction somewhat misrepresents what is distinctive and surprising about the book *Ethel's Love Life* confounds our received binary distinctions between the spiritual and the carnal and indeed between the sexual and the nonsexual the boundaries between such categories being not nearly as well policed at the time as they later became It is here reprinted along with Sweat's *Verses* 1890 and five of her published essays on Charlotte Brontë George Sand the contemporary novel and the friendships of women
