Sword Of The Prophet:

The Sword of the Prophet Srdja Trifkovic, 2002 Islam history theology impact on the world THE TENTH SWORD OF THE PROPHET M.J. Kojack, 2020-06-11 At the center of the story is Michael a brilliant Professor at Princeton University who specializes in Middle Eastern anthropology and is an expert in ancient Semitic languages Right at the heels of a shocking murder at the Saint Catherine Monastery in the Sinai Michael is summoned by top Clergy to help lead the investigation This pivotal event catapults Michael into a hazardous adventure of murders and intrigues set with the backdrop of religion and politics in the Middle East including the theft of sacred relics from the Topkapi Museum that takes him across Europe Tel Aviv Damascus and Tehran in search of the truth At the heart of all the mystery and intrigue a race unfolds to uncover a secret parchment hidden within the missing sword of Muhammad that threatens to reveal the true successor to the Prophet and potentially shake the very foundation of Islam itself and complicate a tenuous balance of power in an already burning Middle East During his adventures Michael rekindles with an old flame while battling foes and dubious characters The Sacred Trusts Topkapı Sarayı Müzesi. Hırka-i Saadet Dairesi, Hilmi Aydın, 2004 This gorgeous full color photographic guide reveals the marvelous collection of the sacred relics at the Topkapi Palace Museum in Istanbul which houses more than 600 invaluable belongings from prophets such as Abraham Moses and Muhammad as well as a number of Muslim saints Excavated from the most restricted rooms of the palace the entire selection including the pieces that are not on exhibit for daily visits is compiled here for the first time in this fundamental handbook making it perfect for students interested in Ottoman history sacred relics of the Ottoman rule or the broader Islamic heritage The Album of the World Emperor Emine Fetvacı, 2020-01-07 The first study of album making in the Ottoman empire during the seventeenth century demonstrating the period's experimentation eclecticism and global outlook The Album of the World Emperor examines an extraordinary piece of art an album of paintings drawings calligraphy and European prints compiled for the Ottoman sultan Ahmed I r 1603 17 by his courtier Kalender Pa a d 1616 In this detailed study of one of the most important works of seventeenth century Ottoman art Emine Fetvacı uses the album to explore questions of style iconography foreign inspiration and the very meaning of the visual arts in the Islamic world The album's thirty two folios feature artworks that range from intricate paper cutouts to the earliest examples of Islamic genre painting and contents as eclectic as Persian and Persian influenced calligraphy studies of men and women of different ethnicities and backgrounds depictions of popular entertainment and urban life and European prints depicting Christ on the cross that in turn served as models for apocalyptic Ottoman paintings Through the album Fetvacı sheds light on imperial ideals as well as relationships between court life and popular culture and shows that the boundaries between Ottoman art and the art of Iran and Western Europe were much more porous than has been assumed Rather than perpetuating the established Ottoman idiom of the sixteenth century the album shows that this was a time of openness to new models outside sources and fresh forms of expression Beautifully

illustrated and featuring all the folios of the original seventy page album The Album of the World Emperor revives a neglected yet significant artwork to demonstrate the distinctive aesthetic innovations of the Ottoman court

Mecca and Eden Brannon Wheeler, 2006-07 Nineteenth century philologist and Biblical critic William Robertson Smith famously concluded that the sacred status of holy places derives not from their intrinsic nature but from their social character Building upon this insight Mecca and Eden uses Islamic exegetical and legal texts to analyze the rituals and objects associated with the sanctuary at Mecca Integrating Islamic examples into the comparative study of religion Brannon Wheeler shows how the treatment of rituals relics and territory is related to the more general mythological depiction of the origins of Islamic civilization Along the way Wheeler considers the contrast between Mecca and Eden in Muslim rituals the dispersal and collection of relics of the prophet Muhammad their relationship to the sanctuary at Mecca and long tombs associated with the gigantic size of certain prophets mentioned in the Quran Mecca and Eden succeeds as few books have done in making Islamic sources available to the broader study of religion

The Third Sword James Bernard Murphy, 2023-12-07 Prophets are wild cards in the game of politics James Bernard Murphy writes in this startling new book They risk their lives by calling out the abuses of political and religious leaders forcing us to confront evils we would prefer to ignore By setting moral limits on political leaders prophets chasten our political pretensions and remind us there are values that transcend politics They wield a third sword distinct from the familiar swords of state and church power their sword is the word of God The Third Sword offers a new take on political history illustrating a theory of prophetic politics through tales of political crises interspersed with direct dialogue between the prophets and their persecutors With chapters on Socrates Jesus Joan of Arc Thomas More and Martin Luther King Murphy brings these prophets to life with storytelling that blends biography history and political theory

The Black Sword of Xorimahr , Lives of the Companions Maulana Yusuf Kandhelawi, 2023-12-29 In a time when we are short on role models and often forced to look beyond the Muslim community for inspiration and heroes we cannot forget the exemplary lives of the Sahaba This special group was hand picked by Allah and raised by the Prophet sa to imbue the message and carry it on to their successors The stories of their extraordinary lives have been capsuled in this first part of a three part collection which touches on every aspect of their inspiring lives reveals their humanness and how they dreamed and breathed like us The one outstanding difference was that their hearts beat with the love of Allah and His Prophet sa which empowered them to overcome every struggle and live free of idolizing any culture nation or ideology Like the Prophet sa said If one of you gives equal to Mount Uhud in charity it would not equal to one mudd or even half a mudd they gave in charity Bukhari In essence they lived of by and for Allah only This modern translation of the first volume of Hayat al Sahaba is the first of its kind on the market in reflowable eBook format with a comprehensive commentary that provides relevance and extracts valuable lessons for our times The volume begins with a detailed description of the Prophet s sa physical characteristics how the work of da wah started and how the Sahaba carried

it out in their era The Hayat al Sahaba series has inspired millions to understand Islam beyond concept theory and interpretations It immerses us into the reality of living Islam past present and future and that we can all be shaded by the mercy of Allah despite our differences like the Sahaba who all achieved the pleasure of Allah despite their many differences Translator Shaykh Asim Ahmad has many years of experience in translating classical works from Urdu Arabic into English His translations preserve the originality of a work while keeping the natural flow that allows the reader to enjoy the translation as if they were reading the original He is also the author of the bestselling Haj and Umra The Epic Journey
