recorded literature Matthew Rubery traces the path of innovation from Edison's recitation of Mary Had a Little Lamb for his tinfoil phonograph in 1877 to the first novel length talking books made for blinded World War I veterans to today's billion dollar audiobook industry The Untold Story of the Talking Book focuses on the social impact of audiobooks not just the technological history in telling a story of surprising and impassioned conflicts from controversies over which books the Library of Congress selected to become talking books yes to Kipling no to Flaubert to debates about what defines a reader Delving into the vexed relationship between spoken and printed texts Rubery argues that storytelling can be just as engaging with the ears as with the eyes and that audiobooks deserve to be taken seriously They are not mere derivatives of printed books but their own form of entertainment We have come a long way from the era of sound recorded on wax cylinders when people imagined one day hearing entire novels on mini phonographs tucked inside their hats Rubery tells the untold story of this incredible evolution and in doing so breaks from convention by treating audiobooks as a distinctively modern art form that has profoundly influenced the way we read Praise for The Untold Story of the Talking Book If audiobooks are relatively new to your world you might wonder where they came from and where they're going And for general fans of the intersection of culture and technology The Untold Story of the Talking Book is a fascinating read Neil Steinberg Chicago Sun Times Rubery explores 150 years of the audio format with an imminently accessible style touching upon a wide range of interconnected topics Through careful investigation of the co-development of formats within the publishing industry Rubery shines a light on overlooked pioneers of audio Rubery's work succeeds in providing evidence to move beyond the reductive debate on whether audiobooks really count as reading and establishes the format's rightful place in the literary family Mary Burkey Booklist starred review **Media Review Digest** C.
