Hennessy, Henry L. Mann, 2000-08-01 You will find me very much changed in everything but outside appearance when I come home Corporal Thomas H Mann 1843-1916 warned his parents toward the end of the Civil War A native of North Wrentham now Norfolk Massachusetts Mann was a member of Company I of the Eighteenth Massachusetts regiment part of the heralded Army of the Potomac and saw action in many of the most pivotal and bloody battles of the war including Second Manassas Antietam Fredericksburg Chancellorsville Gettysburg and the Wilderness In his memoir written in the late nineteenth century and discovered by his grandsons among family papers a century later Mann offers a riveting account of his battlefield experiences and paints a vivid portrait of a young man coming of age through a gauntlet of horror and suffering Mann was highly literate well read perceptive and witty he was headed for Harvard before the war altered his course and his memoir is an unusually eloquent account of the impact of war in all its forms Drawing heavily on his wartime letters and on the recollections of his comrades Mann colorfully

reconstructs his wartime travels and trials from his enlistment to his capture at the Wilderness the nightmare of the battlefield the particulars of camp life southern civilians struggling amidst shortage and destruction freed slaves flocking to the army by the hundreds With a keen editorial eye John J Hennessy delicately blends Mann s various writings into a cohesive captivating narrative Possessing an acute political and social awareness Mann reveals himself to be the classic example of a conservative patriot He rails against many of his government s policies including emancipation confiscation and war on civilians but he loves his country and fights desperately to preserve it He enters the war vigorous enthusiastic wide eyed and determined and leaves it skeptical and broken down Nonetheless he is proud of his participation Mixing postwar memory and reflection with the immediacy of wartime letters *Fighting with the Eighteenth Massachusetts* is a historiographical rarity memoir interwoven closely with and supported by wartime documents The result is a poignant chronicle of a remarkable young man during America s most troubled time

To Live and Die Kathleen Diffley, 2004-05-24 An anthology of Civil War stories from nineteenth century magazines

Abraham Lincoln Michael Burlingame, 2007-02-20 Editor Michael Burlingame sifted through the the ten volume biography *Abraham Lincoln A History* and selected only the personal observations of the secretaries during the Lincoln presidency The result is an important collection of Nicolay and Hay s interpretations of Lincoln s character actions and reputation

Lincoln's Sanctuary Matthew Pinsker, 2003-09-04 The authors present a poignant look at how Lincoln the man shouldered the burden of being Lincoln the president 24 illustrations

Jubal Early Benjamin Franklin Cooling III, 2014-08-26 In *Jubal Early Robert E Lee s Bad Old Man* a new critical biography of Confederate Lieutenant General Jubal Anderson Early Civil War historian B F Cooling III takes a fresh look at one of the most fascinating idiosyncratic characters in the pantheon of Confederate heroes and villains Dubbed by Robert E Lee as his bad old man because of his demeanor Early was also Lee s chosen instrument to attack and capture Washington as well as defend the Shenandoah Valley granary in the summer and fall of 1864 Neither cornered nor snared by Union opponents Early came closest of any Confederate general to capturing Washington ending Lincoln s presidency and forever changing the fate of the Civil War and American history His failure to grapple with this moment of historical immortality and emerge victorious bespeaks as much his own foibles as the counter efforts of the enemy the effects of weather and the shortcomings of his army From the pinnacle of success Jubal Early descended to the trough of defeat within three months when opponent General Philip Sheridan resoundingly defeated him in the Valley campaign of 1864 Jubal Early famously exhibited a harder less gallant personal as a leading Confederate practitioner of hard or destructive war a tactic usually ascribed to Union generals Hunter Sheridan and Sherman An extortionist of Yankee capital in northern towns in Pennsylvania and Maryland typically in the form of tribute Early also became forever associated with the wanton destruction of Chambersburg Pennsylvania as well as Congressman Thaddeus Stevens private commerical ironworks and the private dwellings of Maryland governor Augustus Bradford and then Postmaster General Montgomery Blair How war hardened a crabbed arthritically hobbled but brilliantly

pragmatic soldier and lawyer offers one of the most fascinating puzzles of personality in Civil War history One of the most alluring yet repellent figures of Southern Confederate history Jubal Early would devolve from the ideal prewar constitutional unionist to the postwar personification of the unreconstructed rebel and progenitor of the lost cause explanation for the demise of the Confederacy s experiment in rebellion or independence This critical study explains how one of Virginia s loyal sons came through war and peace to garner a unique position in the Confederacy s pantheon of heroes and the Union s cabal of military villains Jubal Early Robert E Lee s Bad Old Man will appeal to anyone interested in Civil War history and Confederate history **Case Studies in the Achievement of Air Superiority** Benjamin Franklin Cooling (III),1994
