Inerrancy and Worldview Vern S. Poythress, 2012-05-31 Though the Bible presents a personal and relational God popular modern worldviews portray an impersonal divine force in a purely material world Readers influenced by this competing worldview hold assumptions about fundamental issues like the nature of humanity evil and the purpose of life that present profound obstacles to understanding the Bible In *Inerrancy and Worldview* Dr Vern Poythress offers the first worldview based defense of scriptural inerrancy showing how worldview differences create or aggravate most perceived difficulties with the Bible His positive case for biblical inerrancy implicitly critiques the worldview of theologians like Enns Sparks Allert and McGowan Poythress who has researched and published in a variety of fields including science linguistics and sociology deals skillfully with the challenges presented in each of these disciplines By directly addressing key examples in each field Poythress shows that many difficulties can be resolved simply by exposing the influence of modern materialism *Inerrancy and Worldview* s positive response to current attempts to abandon or redefine inerrancy will enable Christians to respond well to modern challenges by employing a worldview that allows the Bible to speak on its own terms

The Logic of Intersubjectivity Darren M. Slade, 2020-08-27 To survey harsh criticisms against Brian Douglas McLaren 1956 readers gain the inaccurate impression that he is a heretical relativist who denies objective truth and logic While McLaren s inflammatory and provocative writing style is partly to blame this study also suspects that his critics base much of their analyses on only small portions of his overall corpus The result becomes a caricature of

McLaren's actual philosophy of religion What is argued in this book is that McLaren's philosophy of religion suggests a faith-based intersubjective relationship with the divine ought to result in an existential appropriation of Christ's religious ethical teachings When subjectively internalized this appropriation will lead to the assimilation of Jesus' kingdom priorities thereby transforming the believer's identity into one that actualizes Jesus' kingdom ideals The hope of this book is that by tracing McLaren's philosophy of Christian religion future researchers will not only be able to comprehend and perhaps empathize with McLaren's line of reasoning but they will also possess a more nuanced discernment of where they agree and disagree with his overall rationale

The Shepherd-flock Motif in the Miletus Discourse (Acts 20:17-38) Against Its Historical Background Bernard Aubert, 2009 The Shepherd Flock Motif in the Miletus Discourse Acts 20 17 38 Against Its Historical Background provides a comprehensive survey of the use of the shepherd flock motif in the ancient world for the readers of the New Testament This review of Ancient Near Eastern Jewish Greco Roman and Christian sources is guided by a motific approach that integrates the concept of metaphor Semantics and the comparative method A chief concern of this study is to apply this knowledge to the study of Luke Acts especially the Miletus Discourse Acts 20 17 38 The shepherd flock motif appears to be central in this speech and helps to integrate other motifs and themes in this discourse such as the kingship motif The Shepherd Flock Motif in the Miletus Discourse Acts 20 17 38 Against Its Historical Background is indispensable to the study of motifs in the New Testament and contributes meaningfully to the scholarly research on Luke Acts

When History Teaches Us Nothing Tim J. R. Trumper, 2008-05-01 When History Teaches Us Nothing is an early historical reflection on the recent Reformed debate over the late John C. Jack Miller's Sonship Discipleship Course Miller 1928 1996 an erstwhile professor of practical theology at Westminster Theological Seminary Pennsylvania and an influential pastor in the New Life congregations of the Presbyterian Church in America sought to minister to the jaded by accenting God's grace in the gospel Gradually fears grew that his approach was spawning among other things an antinomianism and a revivalism antithetical to Reformed theology and piety While not dismissing these concerns Trumper argues that Sonship can only be accurately evaluated once it is understood in light of the practical loss within conservative Presbyterianism i.e. within Westminster Calvinism of the gracious Fatherhood of God and the sonship of believers Drawing on his knowledge of the theological history of adoption Trumper notes the significant parallels between Miller's protest of paternal grace and that of the early nineteenth-century Scottish churchman John Macleod Campbell notably his stress on the life of sonship the prospective aspect of the atonement Trumper thus cautions today's Westminster Calvinists against repeating their forebears' mistake which was to dismiss the validity of Campbell's protest on the basis of the problems with his proposed solution By so arguing the author provides a more balanced and constructive response to the debate highlighting its potential for the biblical renewal of Westminster Calvinism Essential to this renewal is the recovery of the Fatherhood of God and of adoption the evening out of attention accorded the Bible's forensic and relational specifically familial elements and the better

reflection of the theology and tenor of the New Testament especially Only such a renewal Trumper argues can render superfluous further protests for paternal grace

Redeeming Reason Vern S. Poythress, 2023-04-25 Vern S Poythress Explains the Laws of Human Reasoning and How to Apply Them in Light of the Gospel Humans use reasoning to understand and order the world around us We apply this logic in a variety of contexts from classifying simple objects to considering complex philosophies But how should our identity as Christians made in the image of God Gen 1 26 27 with minds renewed by the Holy Spirit Rom 12 1 2 inform our reasoning Vern S Poythress explains how all human reasoning reflects God s nature Providing a foundational understanding of God as the source of rationality Poythress details the 3 fundamental laws of logic identity contradiction and excluded middle with a strong focus on analogical reasoning This robust guide explains types of analogy ethics applied to logic the use of analogies in the doctrines of God and more to give readers a renewed perspective on how to use reason as a follower of God Thorough Study of Reasoning Explores the 3 fundamental laws of logic along with various kinds of analogy including syllogistic reasoning formal deductive reasoning inductive reasoning and scientific models From the Author of Logic A God Centered Approach to the Foundation of Western Thought This book continues Poythress s look at reasoning placing it under the lordship of Christ Great for Students Pastors and Christian Philosophers Includes helpful visuals and appendices for learning and applying various systems of logic

The Maleness of Jesus Neil H. Williams, 2011-01-01 At the center of Christianity is Jesus of Nazareth whose maleness is used by many to justify the subordination of women and to emphasize that men rather than women better represent Jesus This raises a number of questions that are the subject of this book What is the significance of Jesus maleness Does it reveal the character of God Is it foundational for the gospel Is Jesus maleness associated with an ongoing created order of male priority Our answers will affect Christianity s task of love justice and reconciliation in a world that is characterized by the global marginalization oppression and abuse of women

The Workers are Few J. Alexander Rutherford, 2025-01-31 By all indications the Western Church is facing a crisis of pastoral ministry Pastoral ministry is on a trajectory of decline despite the fact that God has opened a massive mission field on our doorstep a mission field that requires workers Moreover we continue to export the same model of ministry to the global Church inviting them to join us in the state of crisis In Matthew 9 37 38 Jesus invites his disciples to consider the vast harvest of souls God has prepared a harvest awaiting workers If we want to see our churches healthy and our neighbours come to know Jesus we must be interested in God s work to prepare workers for the harvest This book is an attempt to repair what is broken to contribute to the repair of pastoral ministry I am convinced that no problem is more urgent to the church globally than this one yet I am also convinced the solution to this problem is quite simple This book argues that our crisis is the result of swapping the biblical vision of pastoral ministry for a poor substitute and our failure to raise disciples in our local church Part 1 identifies significant reasons why we are in a crisis Part 2 lays a biblical foundation for rebuilding a biblical model of pastoral ministry and Part 3 shows how this foundation can be built upon in the

life of a local church *When History Teaches Us Nothing, Second Edition* Tim J. R. Trumper, 2022-01-06 Tim J R Trumper draws on his decades of historical biblical and theological research into the doctrine of adoption to offer a unique reflection on the Sonship debate one with lasting implications for the Reformed tradition Much the buzz in confessional Presbyterian circles around the turn of the millennium the debate concerned the discipleship course developed by practical theologian John C Jack Miller 1928 1996 and his wife Rose Marie Whereas some attested to God s use of Sonship in their spiritual rejuvenation others questioned its Reformed credentials Setting the debate in pioneering fashion against the backdrop of the historical theology of adoption Trumper offers an assessment that is enlightening evenhanded and constructive His fresh portrayal of the history of the Reformed tradition teaches the value of pausing before rushing to judgment and is a reminder that the meeting of spiritual needs requires more biblical exposition not less of it While addressing the points of debate *When History Teaches Us Nothing* is above all a call to the church to recover the doctrine of adoption and to the Reformed community to revive her creative orthodoxy to recapture Scripture s balance of the juridical and familial aspects of the faith and to do so with grace
