Symphony Of Spirits:

The Essential Spirit Donald R. Koepke, 2016-01-19 Everyone who provides services to older adults believes in the biomedical model that addresses the body mind and spirit of their clients On the whole service providers be they long term care professionals academics social workers program professionals counselors or even clergy are quite adept at dealing with the body and the mind But few understand the essential role of the client s spiritual perspective which can enhance and make their services and ministries more effective The Essential Spirit provides such a viewpoint 1 by exploring a definition of spirituality that is inclusive of both religious and non religious understandings and 2 addressing the viewpoints of professionals from a variety of viewpoints Recognizing that the experience of spirituality is personal and qualitative The Essential Spirit adds another voice to the ongoing dialogue among professionals and clergy **Symphony of Spirits**

Deborah A. Forrest, Clint Richmond, 2000-11-15 In a culture that worships youth and beauty more people than ever will be facing the problems of aging Perhaps the least understood and most feared of the aging diseases are Alzheimer s and the other neurodegenerative diseases like Huntington s and Parkinson s Because these diseases destroy the mind as well as the body they seem to rob the victims of all the qualities that once made them human They engender a hopelessness in the medical profession and families alike resulting in a sense that these people are already gone Yet in Symphony of Spirits Dr Forrest shows through her unique experiences as a geriatric care giver that if we acknowledge the spiritual dimension of these patients the worthless last years of people suffering from these types of diseases can be the most valuable When Dr Forrest took a temporary position at a geriatric hospital in Atlanta she trusted her extensive medical training to prepare her for the physical and mental challenges of working with elderly patients suffering with dementia But she quickly learned it just wasn t enough Working alongside three unique caregivers Native American nurses with deeply held spiritual beliefs and an uncompromising respect for all life Forrest experienced a new way of looking at life and death that valued these special patients as undiscovered treasures Through her patients like Momma Sissy a 102 year old African American woman who still worked a farm in South Carolina and Stephen Z a retired engineer whose wife of 50 years still spoke of their ongoing love for each other Forrest came to appreciate the special wisdom that comes from living life Working especially with Aunt Mel an independent strong willed elder and Granny Ada the matriarch of an Appalachian mountain clan taught Forrest the importance of loving relationships for long term mental and physical health In the tradition of Raymond Moody and Deepak Chopra Dr Forrest proposes a momentary suspension of scientific skepticism and prejudice for a more poignant humanizing method of caring for Alzheimer s patients **Symphony of Spirits** James Applegate, Marion Applegate, 2005-06 The Mountain The Man and the Dream is the story of a very special place in the mountains of North Carolina It was envisioned as a meeting place for the Southern Baptists Over the years it became a meeting place for all Christians The Ridgecrest Conference Center is located 18 miles East of Asheville North Carolina It is situated in the Blue Ridge Mountains on the

continental divide but Ridgecrest is not just a place It is more of an experience a fellowship with God It is God s mountain Those who visit Ridgecrest with an open heart will experience God s presence commune with other Christians and feel His hand in their lives History is a visible account of people and buildings Church history however shows how God works with people to accomplish His will This book show s God s active role in the development and growth in the place called Ridgecrest The year 2007 marks the one hundredth anniversary of the Ridgecrest Conference Center This is a fascinating story with many different people working to overcome innumerable obstacles to make a dream come true This book is for everyone who loves an interesting story about a real place and real people overcoming obstacles to make something happen
