Deere, 2020-04-07 In his classic *Surprised by the Power of the Spirit* Jack Deere looked at the reason why many Christians including himself at the time struggle to believe in miraculous gifts and he provided a groundbreaking biblical defense of the Holy Spirit's speaking and healing activities today In *Why I Am Still Surprised by the Power of the Spirit* the former Dallas Seminary professor revisits his earlier subject matter with fresh insight and even stronger conviction the Scriptures teach that God is healing and speaking today just as he did 2 000 years ago Having almost entirely rewritten *Surprised by the Power of the Spirit* this new edition comes at a time when the theological landscape has dramatically changed and most evangelicals do believe in all the gifts of the Spirit But many of us are still unsure how to understand those gifts and there is much confusion today on what it means to be filled with the Spirit This book is for those familiar with Deere's work and for newcomers alike In it he Explains the nature of spiritual gifts

defining each of them Offers sound advice on discovering and using spiritual gifts in church Tells documented stories of modern miracles and encounters with demonic powers Examines the New Testament use of the phrase filled with the Spirit to show why and how God still fills his servants with the Holy Spirit Introduces the newest literature defending and explaining the gifts of the Spirit With the care of a scholar and the passion of personal experience this new edition builds upon the legacy of *Surprised by the Power of the Spirit* and the profound impact it s had among Christians of many traditions

*Inside Out* David Henderson,2016-11-02 This book is written for my sons and is a patchwork of my thoughts prayers journal entries and emails These emails etc were written to family friends and the youth group students I have had the privilege of getting to know and love for the past 25 years Some of the questions I get are about creation evolution the deity of Christ the end times as well as personal issues such as sexual purity and how to live a holy life Part of the book is also about the journey God has brought me through in my personal life My hope is that however God uses this book that it pleases and glorifies Him

*Surprised by the Power of the Spirit* Zondervan,2010-08-10 What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today What convinced someone skeptical about miracles that God still speaks and heals A dramatic change took place in Jack Deere s life when he took a fresh look at the Scriptures He discovered that his cherished arguments against miraculous gifts were based more on prejudice and a lack of personal experience than on the Bible As soon as Deere became a seeker instead of a skeptic the Holy Spirit revealed himself in new and surprising ways In *Surprised by the Power of the Spirit* Jack Deere provides a strong biblical defense for the Spirit s speaking and healing ministries today He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way Finally he gives sound advice for using spiritual gifts in the church Written in popular style with the care of a scholar but the passion of personal experience this book is a vital resource for people on both sides of the debate about miraculous gifts

**From the Pulpit** Thembinkosi S. Zondi,2016-01-27 Here the Author presents the word of God and preached from the Pulpit hence the main title of this book series *From the Pulpit* In fact this will be the series of publications It is the work derived from the word directed to the Church to Mothers Fathers Youth Girl s sectional respectively as embodied by the whole Assembly of the Body of Christ

**Sanctus** David T Williams,2010-12-06 Even a cursory glance at the moral state of society and regrettably often including the Church shows a remarkable lack of holiness Yet God commanded us to be holy as he is holy Is not the lack of holiness at the root of much of the weakness of today s church This in depth study of sanctification centres on what God Father Son and Holy Spirit has done to make us holy and what the Christian response should be It understands sanctification as both demanded by and dependent upon justification an ongoing process coupled with distinct events of grace Christ has died for us to enable forgiveness sanctification is the development of the life of Christ in us A feature of the book is its provision of several illustrations of the path of Christian sanctification

*52 Weeks of Practical Applications to Biblical Principles* Dr. Catherine

Braswell,2018-02-02 It is Dr Catherine Braswells opinion that in our daily walk as a Christian reading studying and learning the Word of God Bible is very important But over the course of years I have noticed that as Christians it is very hard for many of us to take what we have learned and walk it out from day to day We can read the Bible and tell others what we have read but very few of us can actually take the words of the scripture and apply them to daily crisis For this reason I would like to introduce you to a guide that will teach you how to walk daily in the Word of God This is a book of fifty two weeks of biblical principles with weekly applications to help the reader or Christian practice as you go through life challenges It will teach you how to face life challenges without losing or compromising your integrity As you apply these principles you should be able to see growth and maturity in life and learn how to trust God in every area and situation that you may encounter in this life

*The Call* Dr. Francois Carr,2021-09-15 Connecting my Life with God s Call It is 30 33 A D Jesus is calling your name Follow Me and I will make you fishers of men Go therefore and make disciples of all nations What would it be like to sit at the feet of Jesus listening watching and learning more about His life relationships ministry and kingdom What will happen if we follow Him wherever He leads and commissions us to go In *The Call* we take a closer look at what it means to be with Jesus and follow Him as we explore topics such as To Be with Him before we work for Him To Hear Him Speak To Understand His Intentions To Receive His Enabling and Empowerment To Respond with Trust and Obedience To Accomplish His Purposes To Rest and be Refreshed It s time to Connect with God s Call and Cause In every age and in every country God raises up those with a keen spiritual sensitivity to His activity I have sensed that Francois is one of God s watchmen for our day Henry Blackaby
