Judgment and Decision Making Baruch Fischhoff,2013-06-17 Behavioral decision research offers a distinctive approach to understanding and improving decision making It combines theory and method from multiple disciplines psychology economics statistics decision theory management science It employs both empirical methods to study how decisions are actually made and analytical ones to study how decisions should be made and how consequential imperfections are This book brings together key publications selected to represent the major topics and approaches used in the field Put in one place with integrating commentary it shows the common elements in a research program that represents the scope of the field while offering depth in each Together they provide a vision for what has become a burgeoning field

On the Pill Elizabeth Siegel Watkins,2001-09-14 In 1968 a popular writer ranked the pill s importance with the discovery of fire and the developments of tool making hunting agriculture urbanism scientific medicine and nuclear energy Twenty five years later the leading British weekly the Economist listed the pill as one of the seven wonders of the modern world The image of the oral contraceptive as revolutionary persists in popular culture yet the nature of the changes it supposedly brought about has not been fully investigated After more than thirty five years on the market the role of the pill is due for a thorough examination from the Introduction In this fresh look at the pill s cultural and medical history Elizabeth Siegel Watkins re examines the scientific and ideological forces that led to its development the part women played in debates over its application and the role of the media medical profession and pharmaceutical industry in deciding issues of its safety and meaning Her study helps us not only to understand the contraceptive revolution as such but also to appreciate the misinterpretations that surround it

Beyond Choice Alexander Sanger,2005-07-06 The world has changed but the pro choice position hasn t Now an internationally renowned pro choice advocate and grandson of Margaret Sanger offers a compelling new basis for keeping abortion legal

Intimate Japan Allison Alexy,Emma E. Cook,2019-01-31 How do couples build intimacy in an era that valorizes independence and self responsibility How can a man be a good husband when full time jobs are scarce How can unmarried women find fulfillment and recognition outside of normative relationships How can a person express their sexuality when there is no terminology that feels right In contemporary Japan broad social

transformations are reflected and refracted in changing intimate relationships As the Japanese population ages the low birth rate shrinks the population and decades of recession radically restructure labor markets Japanese intimate relationships norms and ideals are concurrently shifting This volume explores a broad range of intimate practices in Japan in the first decades of the 2000s to trace how social change is becoming manifest through deeply personal choices From young people making decisions about birth control to spouses struggling to connect with each other parents worrying about stigma faced by their adopted children and queer people creating new terms to express their identifications Japanese intimacies are commanding a surprising amount of attention both within and beyond Japan With ethnographic analysis focused on how intimacy is imagined enacted and discussed the volume s chapters offer rich and complex portraits of how people balance personal desires with feasible possibilities and shifting social norms Intimate Japan will appeal to scholars and students in anthropology and Japanese or Asian studies particularly those focusing on gender kinship sexuality and labor policy The book will also be of interest to researchers across social science subject areas including sociology political science and psychology

Abortion and the Private Practice of Medicine Jonathan B. Imber, 2017-07-12 Originally published in 1986 *Abortion and the Private Practice of Medicine* was the first book to look at abortion from the perspective of physicians in private practice Jonathan B Imber spent two years observing and interviewing all twenty six of the obstetrician gynecologists in Daleton a city that did not have an abortion clinic The decision as to whether when and how to perform abortions was therefore essentially up to the individual doctor Imber begins the volume with a historical survey of medical views on abortion and the medical profession s response to the legalization of abortion in the United States Quoting extensively from his interviews he looks at various characteristics of doctors that may affect their professional opinion on abortion their age gender religious background and length of residence in the community the nature of their training and prior experience and the setting of the practice whether group or solo Imber found that the physicians reasons for agreeing or refusing to perform abortions revealed considerable differences of opinion about how they construe their responsibilities

Relational Autonomy Catriona Mackenzie, Natalie Stoljar, 2000-01-27 This collection of original essays explores the social and relational dimensions of individual autonomy Rejecting the feminist charge that autonomy is inherently masculinist the contributors draw on feminist critiques of autonomy to challenge and enrich contemporary philosophical debates about agency identity and moral responsibility The essays analyze the complex ways in which oppression can impair an agent s capacity for autonomy and investigate connections neglected by standard accounts between autonomy and other aspects of the agent including self conception self worth memory and the imagination

Pregnancy and Power, Revised Edition Rickie Solinger, 2019-07-16 A sweeping chronicle of women s battles for reproductive freedom Reproductive politics in the United States has always been about who has the power to decide lawmakers the courts clergy physicians or the woman herself Authorities have rarely put women s needs and interests at the center of these debates Instead they have created reproductive laws and policies to solve

a variety of social and political problems with outcomes that affect the lives of different groups of women differently. Reproductive politics were at play when slaveholders devised breeding schemes when the US government took indigenous children from their families in the nineteenth century and when doctors pressured Latina women to be sterilized in the 1970s. Tracing the main plot lines of women's reproductive lives, the leading historian Rickie Solinger redefines the idea of reproductive freedom, putting race and class at the center of the effort to control sex and pregnancy in America over time. Revisiting these issues after more than a decade, this revised edition of *Pregnancy and Power* reveals how far the reproductive justice movement has come and the renewed struggles it faces in the present moment. Even after nearly a half century of reproductive rights, a cascade of new laws and policies limits access and prescribes punishments for many people trying to make their own reproductive decisions. In this edition, Solinger traces the contemporary rise of reproductive consumerism and the politics of free market health care as economic inequality continues to expand in the US, revealing the profound limits of choice and the continued need for the reproductive justice framework.

Choosing A Contraceptive
Rodolfo A. Bulatao, 2019-04-11 This book presents evidence from investigations of contraceptive method choice in a variety of countries, focusing on Asia and the United States. Included are discussions of psychosocial and economic approaches to understanding method choice and descriptive and statistical analyses of choices.

Crossing the Threshold of Love Mary Shivanandan, 1999 The papal encyclical *Humanae Vitae* predicted the disintegration of marriage and family life partly as a result of the widespread use of contraception. Pope John Paul II has since addressed the problem by articulating a fresh understanding of marriage, love, and sexuality which takes account of the dignity of the human person and especially of women. In this most exhaustive and scholarly assessment of John Paul II's Christian anthropology ever written, Mary Shivanandan examines the scientific data and the theological analysis that underlie his teachings on marriage and sexuality. Her book will be an essential text for the study of the development, meaning, and implications of Catholic doctrine in this controversial area. It is both lucid and multi-disciplinary. Its appearance marks a new stage in the debate over sexuality in the modern world.

ABOUT THE AUTHOR Mary Shivanandan, STD is a professor at the John Paul II Institute for Studies on Marriage and the Family.

PRAISE FOR THE BOOK Mary Shivanandan has successfully accomplished a daunting task: the distillation of John Paul's profound and complicated vision of the essence of man and the meaning of marital love. A very valuable presentation of the thought of John Paul on human sexuality, marriage, and the family. Anyone who wants to understand the Pope on these matters must have Shivanandan's book as part of his personal or formal curriculum.

New Oxford Review An exceptionally brilliant study, Shivanandan very accurately and clearly sets forth the major ideas developed at length by Pope John Paul II in many of his writings. She has entered into serious dialogue with contemporary thinking regarding the nature of the human person, the meaning of the human body, and the meaning of human sexuality, relating and contrasting this thinking with that of John Paul II.

Prof. William E. May, John Paul II Institute for Studies on Marriage and

Family Shivanandan has made a significant contribution to the enrichment of our understanding of marriage In a concise way she reveals the subtle insights of John Paul II which resonate in so many people s lives once they are explained in such a clear way Rev Msgr Peter J Elliott Casa Internazionale del Clero Rome The monumental text book the prolife movement has been waiting for This is the definitive study of the Pope s innovative theology of the body and its implications for human life and marriage Faith Culture Bulletin This is an exceptional study Shivanandan not only offers a tour de force of the evolution of John Paul s thought but also demonstrates its far reaching implications for the lives of couples families and whole societies She unmasks the deception of our safe sex society by demonstrating that only when we come to see the body and sexual intercourse as the expression of transcendence of the person will we be able to cross the threshold of love Mary Shivanandan s new book *Crossing the Threshold of Love* should establish her as a recognized scholar theologian and expert on Pope John Paul II s anthropology National Catholic Register Pope John Paul II s thought and teaching on human sexuality evolved over a couple of decades and Professor Mary Shivanandan unpackages this thought carefully and extensively In presenting John Paul II s thought Mary Shivanandan brings a thorough grounding in philosophy and a theological education She also has twenty years of experiential learning in the matter of Natural Family Planning and what this can bring to communion in one flesh A full index of subjects as well as a generous bibliography enrich this work Liguorian Shivanandan is largely successful in bringing out the main elements of the pope s personalism She has *Justice and Gender* Deborah L. RHODE, Deborah L Rhode, 2009-06-30 This is the first book to provide a comprehensive investigation of gender and the law in the United States Deborah Rhode describes legal developments over the last two centuries against a background of historical and sociological changes in women s activities and attitudes toward these new developments She shows the way cultural perceptions of gender influence and in turn are influenced by legal constructions and what this complicated interaction implies about the possibility or impossibility of using law as a tool of social change Table of Contents Introduction Part One Historical Frameworks 1 Natural Rights and Natural Roles Domesticity as Destiny The Emergence of a Feminist Movement Nineteenth Century Legal Ideology Separate and Unequal 2 The Fragmentation of Feminism and the Legalization of Difference The Postsuffrage Women s Movement Separate Spheres and Legal Thought Part Two Equal Rights in Retrospect 3 Feminist Challenges and Legal Responses The Growth of the Contemporary Women s Movement Governmental Rejoinders Liberalism and Liberation 4 The Equal Rights Campaign Instrumental Claims Symbolic Underpinnings Political Strategies Requiem and Revivals 5 The Evolution of Discrimination Doctrine The Search for Standards Separate Spheres Revisited Bona Fide Occupational Qualifications Definitions of Difference Part Three Contemporary Issues 6 False Dichotomies Benign and Invidious Discrimination in Welfare Policy Elderly Women and Social Security Special Treatment or Equal Treatment Pregnancy Maternal and Caretaking Policy Public and Private Social Welfare and Childcare Policies 7 Competing Perspectives on Family Policy Form and Substance The Marital Nonmarital Divide Lesbian Gay Rights and Social Wrongs

Equality and Equity in Divorce Reform Text and Subtext in Custody Adjudication 8 Equality in Form and Equality in Fact Women and Work Occupational Inequality The Legal Response Employment Policy and Structural Change 9 Reproductive Freedom The Historical Legacy Abortion Adolescent Pregnancy Reproductive Technology 10 Sex and Violence Sexual Harassment Domestic Violence Rape Prostitution Pornography 11 Association and Assimilation Private Clubs and Public Values Education Athletics Different But Equal Conclusion Principles and Priorities Differences over Difference Differences over Sameness Theory about Theory Legal Frameworks Notes Index Reviews of this book Rhode s work is impressive in its scholarship and its range a compelling account Josephine Shaw International and Comparative Law Quarterly Reviews of this book The definitive treatment of the American legal system s struggle to deal with issues pertaining to gender The strength of Rhode s analysis however is not its historical aspect but its probing view of modern gender issues The focus is always on the deeper forces that have led to gender disadvantage There is much to be learned from reading this volume Victoria J Dodd Bimonthly Review of Law Books Reviews of this book A comprehensive journey through the history of law and gender The book is important in a number of ways It paints in stark irrefutable colors the irrational prejudices that have served to justify legal determinations limiting equality I t has the audacity to ask the law to turn on itself and work more justly Sheila James Kuehl California Lawyer Reviews of this book Encyclopedic Thorough carefully nuanced Rhode gives all sides their fair due on every issue she takes up A valuable resource for many years to come Susan Okin Law and Social Inquiry Justice and Gender breaks the impasse created by legal and theoretical debates over sameness and difference Deborah Rhode s brilliant analysis of gender and the law in the United States from the nineteenth century to the present argues persuasively for theories rooted in careful contextual analysis and for a legal emphasis on gender disadvantage rather than gender difference This book offers a new vantage point from which to think about the role of law in building a just society Sarah M Evans University of Minnesota *Feminist Social Thought* Diana Tietjens Meyers, 2014-06-03 First published in 1998 *Feminist Social Thought* brings together key articles by prominent feminist thinkers offering students sophisticated treatment of the theoretical topics central to feminist social thought This reader highlights salient concerns in contemporary feminist scholarship and the advances feminist philosophers have made The editor s introduction outlines alternative routes through the text allowing instructors to easily adapt this reader to their particular courses and the interests of their students Each article is prefaced with a short introduction by the editor placing it in context highlighting the principle issues and the conclusions reached Students will find these headnotes helpful when tackling the challenging theoretical issues addressed Representing a spectrum of feminist thinking *Feminist Social Thought* is organized around seven topics constructions of gender theorizing diversity figurations of women subjectivity agency and feminist critique social identity solidarity and political engagement care and its critics and women equality and justice Students will be exposed to a wide variety of feminist philosophy and encouraged to think critically about challenging questions around pivotal subjects including How are gender norms instilled

enforced and perpetuated What are the relationships between gender and other socially demarcated positions such as race class and sexual orientation What resources do women have at their disposal for recognizing their subordination and resisting it What goals should feminist politics pursue How can social and legal equality be reconciled with difference

Understanding Reproduction in Social Contexts Caitlin Killian, 2025-06-12 In today's post-Roe world U.S. maternal mortality is on the rise and laws regarding contraception involuntary sterilization access to reproductive health services and criminalization of people who are gestating are changing by the minute Using a reproductive justice framework *Understanding Reproduction in Social Contexts* walks students through the social landscape around reproduction through the life course Chapters by cutting edge reproductive scholars practitioners and advocates address the social control of fertility and pregnancy the promises and perils of assisted reproductive technologies experiences of pregnancy miscarriage abortion and birth and how individuals make sense of and respond to the cultural social and political forces that condition their reproductive lives The book takes an intersectional approach and considers how gender sexuality fatness disability class race and immigration status impact both an individual's health and the healthcare they receive The inclusion of timely topics such as increased legal limitations on abortion transpeople and reproduction and new developments in assisted reproduction and family formation speaks to the current generation of students An essential text for undergraduate and graduate courses on families gender public health reproduction and sexuality

Health Care Reform United States. Congress. House. Committee on Energy and Commerce, 1994

Real Love Mary Beth Bonacci, 2012-03-28 Mary Beth Bonacci has spoken to hundreds of thousands of people across the country and around the world about friendship about relationships about marriage about God's plan for sexuality and about finding real honest love And they speak back to her They ask her questions about sex about dating about healing after a shattered relationship about marriage about their struggles to live love In this newly updated and expanded edition of *Real Love* Mary Beth shares those questions and her answers in an even more comprehensive guide which addresses the details of the very real struggle we all face in trying to live real love in a world gone mad Through these questions and her answers Mary Beth offers a comprehensive catechesis of the Church's teaching in the areas of marriage and human sexuality She tackles the toughest issues premarital sex contraception divorce homosexuality internet pornography and others She gives practical advice on living the Church's teachings And throughout it all she demonstrates that living respect for God's gift of sexuality is the way the only way to find real honest love

Reproduction, Health, and Medicine Elizabeth Mitchell Armstrong, Susan Markens, Miranda R. Waggoner, 2019-11-22 At a moment when reproduction is increasingly politicized the volume explores the breadth of contemporary research on reproduction from the perspective of medical sociology illuminating the lived experience of reproduction and offering insights to inform sociology and health policy

Just Get on the Pill Krystale E. Littlejohn, 2021-08-31 The average woman concerned about pregnancy spends approximately thirty years trying to prevent conception She largely does so alone using

prescription birth control a phenomenon often taken for granted as natural and beneficial in the United States In Just Get on the Pill Littlejohn draws on interviews to show how young women come to take responsibility for prescription birth control as the woman's method and relinquish control of external condoms as the man's method She uncovers how gendered compulsory birth control in which women are held accountable for preventing and resolving pregnancies in gender constrained ways encroaches on women's reproductive autonomy and erodes their ability to protect themselves from disease In tracing the gendered politics of pregnancy prevention Littlejohn argues that the gender division of labor in birth control is not natural It is unjust

Human Reproductive Biology Mark M. Jones, 2012-12-02 Human Reproductive Biology focuses on the processes concerns and trends in human reproduction Divided into four parts with 19 chapters the book starts by tracing the history of human reproduction biology and the questions and choices involved The first part focuses on the male and female reproductive systems The text notes the different organs involved in reproduction including the penis scrotum vagina oviducts and mammary glands The book discusses sexual development and differentiation particularly noting the variance of sex ducts and glands external genitalia and disorders of sexual development and determination The text also looks at puberty Concerns include gonadal changes from birth to puberty mechanisms that influence puberty and puberty and psychosocial adjustment The second part deals with menstrual cycle fertilization pregnancy labor and birth Some of the concerns include length of menstrual cycle absence of menstruation transport of sperm and ovum in the oviduct and semen release The text also highlights labor and birthing processes as well as the relationship of neonates and parents The third part looks at the medical aspects of human reproduction infertility and sexually transmitted diseases Concerns include contraception abortion herpes genitalis and vaginitis The text folds with discussions on human sexual behavior population growth and family planning Concerns include sexual dysfunction the effects of overpopulation and population control The book is a vital source of data for readers interested in human reproduction

Applications of Feminist Legal Theory to Women's Lives D. Kelly Weisberg, Ronnie J Steinberg, 2009 This book the second of two volumes examines the pressing issues that affect women pornography prostitution battery rape pay equity sexual harassment motherhood abortion adoption new reproductive technologies and considers them through the lens of feminist legal theory It features more than sixty articles by well known legal scholars and feminists The contributions are arranged thematically and include an introduction and comprehensive literature review by the editor Applications of Feminist Legal Theory to Women's Lives will be a valuable text for students a resource for scholars and policy makers and a useful introduction for general readers

Adopting the Track of Phrase: An Psychological Symphony within **Taking Chances Abortion And The Decision Not To Contracept**

In some sort of used by screens and the ceaseless chatter of immediate interaction, the melodic beauty and emotional symphony produced by the prepared term usually disappear in to the back ground, eclipsed by the relentless sound and interruptions that permeate our lives. Nevertheless, set within the pages of **Taking Chances Abortion And The Decision Not To Contracept** a wonderful fictional treasure full of organic thoughts, lies an immersive symphony waiting to be embraced. Crafted by a masterful composer of language, this interesting masterpiece conducts readers on an emotional journey, skillfully unraveling the hidden melodies and profound impact resonating within each carefully crafted phrase. Within the depths of this touching review, we will examine the book is key harmonies, analyze their enthralling writing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
