Taking On The Heart Of Christ Meditations And Devotions:

Taking on the Heart of Christ John Henry Newman, 1990-05

Devotion to the Sacred Heart of Jesus Jean

Croiset, 2022-05-29 In *Devotion to the Sacred Heart of Jesus* Jean Croiset explores the profound spiritual practice surrounding the Sacred Heart a symbol of Christ's divine love and compassion Written in the baroque style characteristic of 17th century Catholic spirituality the text intertwines theological reflection and meditative practices providing readers with a contemplative framework to deepen their relationship with Jesus Through rich imagery and emotive language Croiset engages with themes of human suffering redemption and the transformative power of divine love situating his discourse within the broader context of Catholic mysticism and counter reformation thought Jean Croiset a French Jesuit priest and spiritual writer was heavily influenced by the mystic tradition of his time along with his experiences in pastoral ministry His commitment to the Jesuit educational principles and the promotion of devotional practices shaped his understanding of spirituality leading him to articulate a path toward divine union that emphasizes affectionate surrender to God's love Croiset's works reflect his deep theological insights as well as a sincere pastoral concern for guiding the faithful This enduring work is recommended for both scholars and laypersons seeking to enrich their spiritual lives through profound meditation on Christ's love Croiset's thoughtful elucidation encourages readers to cultivate an intimate relationship with the Sacred Heart making it a cornerstone resource for anyone devoted to understanding and embracing this powerful Christian devotion

Expository Preparation Benjamin G.

Campbell, 2021-09-30 For those in local church ministry it is often a pressing matter to find the time to take care of their own souls More often than not pastors tend to prioritize sermon preparation and delivery as their primary tasks when actually their first task should be their own spiritual health It is for this purpose that this book is written to encourage pastors to soul care before sermon preparation If pastors will prepare their own hearts the sermon will fall in line and permeate the hearts of the listeners

La Dévotion au Sacré Cœur de Jésus. Devotion to the Sacred Heart of Jesus ... Translated from the Italian Jean CROISET, 1863

Against the Titans Peter Nguyen, 2020-07-15 Modern history has been marked by the emergence of the figure of the titan who yearns for self mastery in the face of death and who denounces modernity's tendency to reduce the individual to the lockstep of need and gratification But what of those few who rejected the impulses of the titan those militant desires to exert supremacy over all The story recounted in *Against the Titans* The Theology of the Martyrdom of Alfred Delp examines one martyr's rejection of the titan's perversion of heroism and sacrifice The life of Delp a Jesuit priest embodied a Christian theology of martyrdom articulated over against a virile fundamentalism that rejected divine sovereignty As Peter Nguyen S J shows Delp opposed Ernst Jünger's active nihilism by revealing a more authentic and no less demanding existence one that came not from acquiring self mastery but rather from an emptying out of self an *indiferencia* an unselfing
