The Peculiar Dialect of Faith Walter Brueggemann, 2023-05-18 Biblical utterance in contrast to the sounds of power and certitude offers imaginative probes into the mystery of God s creation and into the hidden complexities of human hurt and human hope Thus the dialect of the Bible is offered in relational terms so that the key ingredients to lived reality characteristically concern justice and righteousness steadfast love faithfulness and compassion Insofar as the church relies upon and attests to this dialect we may expect that in church we will speak in a different rhetoric and consequently we will speak about different subject matter To be sure the church is sometimes seduced away from this relational dialect to speak in cadences that are elementally alien to the Bible and to the claims of the gospel Such seduction of the church takes place for example when our nation is at war and the church is tempted to reflect and reiterate the force of that social reality Or such seduction occurs when the church is captured by any ism notably in our time racism or nationalism Or alternatively ideological conservatism that craves the language of certitude or ideological liberalism that is easily bewitched by the rhetoric of psychology or the market When the church is domesticated to such alien claims it loses its distinctiveness and consequently loses its nerve and its courage for serious mission Thus attentiveness to our peculiar dialect is an important investment from the Preface

Original **The Intimate Way of Zen** James Ishmael Ford, 2024-07-23 An intimate mystery encompasses you and tugs upon your heart what does it mean to follow that tug across the arc of a spiritual life Reflecting out of more than fifty years of practice in Zen Buddhism Unitarian Universalism and other contemplative traditions James Ishmael Ford invites us into a journey through life s mysteries and the stages of spiritual development Lightly structured by the archetypal Buddhist oxherding images Ford s exploration is rooted in the Zen way while being deeply enriched by various strains of world mysticism The book sprinkled with insights and quotes from Buddhist Daoist and Christian traditions serves as a map and a

companion to spiritual seekers or pilgrims whether within one religious tradition or cobbling together a way of one's own. Here is the most natural of all natural experiences writes Ford. In the midst of our suffering, our longing, our desperation, we capture a glimpse. Something touches us. And with that, if we are lucky and really notice some movement of some spirit within us, we turn our attention to the intimate way. Heavens Gate Jeffrey Brown, 2007-08. Montgomery Monty Graves thought he had a future full of promise, one secure in God's love. But when neighborhood hoodlums gun down his grandmother, Monty turns his back on the church, loses his faith, and begins a lifetime of struggle. Monty shuffles between foster care homes and is expelled from numerous schools, but he never finds the peace he once had when his grandmother was alive. His two friends, Jenaye and B.J., provide one source of comfort, but it's not enough. After college, Monty lands a top corporate job, works his way up the ladder, and is promoted to vice president. He's trying to start a relationship with Jenaye, but there's something holding him back. Could it be his vendetta against God? But God has plans for Monty, and they don't include additional wealth or success. Monty is about to be brought to his knees like never before, and he can either accept his fate or cling to the past.
