Taking To The Air The Rise Of Michael Jordan:

Taking to the Air: The Rise of Michael Jordan , *Taking to the Air* Jim Naughton,1993 Tells how Michael Air Jordan became an icon after intense marketing strategies played on the hoopster s skill and congeniality to sell everything from breakfast cereal to automobiles **Michael Jordan and the New Global Capitalism (New Edition)** Walter LaFeber,2002-09-17 Examines how the Nike corporation using the popularity of Chicago basketball player Michael Jordan impacted the economies and cultures of the world through its advertising campaign **The Myth of Michael Jordan in Popular Culture** Tomasz Jacheć,2024-03-18 This book examines the life and career of Michael Jordan one of the greatest athletes in the history of sports asking how he transcended his sport to become a canonical myth in popular culture Drawing on work in sport studies cultural studies sociology history business and media this book helps us to understand how myths are made in modern society and highlights the importance of myths in a post truth world It unpacks the underlying monomythical structure of the Jordan myth including the universality of the hero s journey and explores those features that are inherently American but that also carried Jordan to the status of a global superstar This book traces the contours of his career and looks at how the intersection of commercial interests media narratives and supreme athletic talent in a particular social political and historical context generated a myth that continues to resonate today long after the end of Jordan s playing career Drawing on original research and adding new theoretical depth to our understanding of Michael Jordan s place in popular culture this book is essential reading for anybody with an interest in the relationship between sport and wider society Michael Jordan Roland Lazenby,2014-05-06 The definitive biography of a legendary athlete The Shrug The Shot The Flu Game Michael Jordan is responsible for sublime moments so ingrained in sports history that they have their own names When most people think of him they think of his beautiful shots with the game on the line his body totally in sync with the ball hitting nothing but net But for all his greatness this scion of a complex family from North Carolina s Coastal Plain has a darker side he s a ruthless competitor and a lover of high stakes There s never been a biography that encompassed the dual nature of his character and looked so deeply at Jordan on and off the court until now Basketball journalist Roland Lazenby spent almost thirty years covering Michael Jordan s career in college and the pros He witnessed Jordan s growth from a skinny rookie to the instantly recognizable global ambassador for basketball whose business savvy and success have millions of kids still wanting to be just like Mike Yet Lazenby also witnessed the Michael Jordan whose drive and appetite are more fearsome and more insatiable than any of his fans could begin to know Michael Jordan The Life explores both sides of his personality to reveal the fullest most compelling story of the man who is Michael Jordan Lazenby draws on his personal relationships with Jordan s coaches countless interviews with Jordan s friends teammates and family members and interviews with Jordan himself to provide the first truly definitive study of Michael Jordan the player the icon and the man *Michael Jordan* David L. Porter,2007-07-30 With the possible exceptions of boxer Muhammad Ali and baseball player Babe Ruth no

athlete has made a greater impact on American society or in the world than Michael Jordan Follow the life of one of the most recognizable athletes and living brands inside this engaging and balanced biography He is among the best known and wealthiest athletes in the history of organized sports With the possible exceptions of boxer Muhammad Ali and baseball player Babe Ruth no athlete has made a greater impact on American society or in the world than Michael Jordan Follow the life of one of the most recognizable athletes and living brands inside this engaging and balanced biography When basketball stars Larry Bird and Magic Johnson retired in the early 1990s Michael almost single handedly propelled the NBA to stratospheric levels of success and international visibility As a player for the Chicago Bulls he generated instant crowd thrills with his record setting drives and dunks selling countless books newspapers videotapes NBA game tickets and hours of television time The NBA promoted Michael basing its popularity on his image as the greatest showman in sports history Yet his sports hero status extends beyond NBA records Michael changed the game by becoming the most effectively marketed athlete of his generation Nike and many other companies rode and continue to ride on the coattails of Air Jordan s legend Author David Porter highlights Jordan s on and off the court accomplishments and examines his relationship with Chicago Bulls coaches his commercial endorsements and his current role as part owner of the Charlotte Bobcats A chronology photos career stats and a bibliography of print and electronic resources round out this biography of one of the most influential athletes of the twentieth century *Michael Jordan, Inc.* David L. Andrews, 2001-08-09 Michael Jordan Inc seeks to make sense of a celebrated figure whose public existence illuminates a late capitalist order defined by the convergence of corporate and media interests Using Michael Jordan as a vehicle for viewing the broader social economic political and technological concerns that frame contemporary culture the contributors focus on celebrity economy corporate culture identity politics and the global marketplace foundational pillars of contemporary cultural existence They provide an introduction to late capitalism s pervasive and invasive cult of celebrity examine the innovative corporate connections particularly Jordan s association with Nike largely responsible for Jordan s aggressively commodified being excavate the cultural politics imbued within the racialized and sexualized nature of Jordan s identity and demonstrate the global reach and influence that has accompanied the concerted commodification of Jordan by transnational corporations This anthology represents both an intellectual expression of and a political commitment to the fact that Michael Jordan matters

Jumpman Johnny Smith, 2023-11-07 How Michael Jordan s path to greatness was shaped by race politics and the consequences of fame To become the most revered basketball player in America it wasn t enough for Michael Jordan to merely excel on the court He also had to become something he never intended a hero Reconstructing the defining moment of Jordan s career winning his first NBA championship during the 1990 1991 season sports historian Johnny Smith examines Jordan s ubiquitous rise in American culture and the burden he carried as a national symbol of racial progress Jumpman reveals how Jordan maintained a mystique that allowed him to seem more likable to Americans who wanted to believe race

no longer mattered In the process of achieving greatness he remade himself into a paradox universally known yet distant and unknowable Blending dramatic game action with grand evocations of the social forces sweeping the early nineties Jumpman demonstrates how the man and the myth together created the legend we remember today **From Hang Time to Prime Time** Pete Croatto,2020-12-01 Perfect for fans of Moneyball and The Book of Basketball this vivid thoroughly entertaining and well researched book explores the NBA s surge in popularity in the 1970s and 1980s and its transformation into a global cultural institution Far beyond simply being a sports league the NBA has become an entertainment and pop culture juggernaut From all kinds of team logo merchandise to officially branded video games and players crossing over into reality television film fashion lines and more there is an inseparable line between sports and entertainment But only four decades ago this would have been unthinkable Featuring writing that leaps off the page with energy and wit journalist and basketball fan Pete Croatto takes us behind the scenes to the meetings that lead to the monumental American Basketball Association National Basketball Association merger in 1976 revolutionizing the NBA s image He pays homage to legendary talents including Julius Dr J Erving Magic Johnson and Michael Jordan and reveals how two polar opposite rookies Larry Bird and Magic Johnson led game attendance to skyrocket and racial lines to dissolve Croatto also dives into CBS s personality driven coverage of key players as well as other cable television efforts which launched NBA players into unprecedented celebrity status Essential reading whether you re a casual or longtime fan From Hang Time to Prime Time is an enthralling and entertaining celebration of basketball history *Michael Jordan* Robert Lipsyte,2010-11-09 Michael Jordan was a late bloomer Cut from the Varsity basketball team in high school when he first tried out Michael nonetheless became the best basketball player that ever lived Rare Air Jordan The true story of how Michael Jordan achieved this amazing level of success as a basketball player and as the high king of commercial endorsements underscores one of the new roles of athletes in our society today Here s a fascinating look at both the evolution of basketball and Michael Jordan s stunning climb to the peak of his sport and his season in minor league baseball **Sporting Nationalisms** Mike Cronin,David Mayall,2005-07-08 This volume examines the ways in which sport shapes the experiences of various immigrant and minority groups and in particular looks at the relationship between sport ethnic identity and ethnic relations The articles in this volume are concerned primarily with British American and Australian sporting traditions and the themes covered include the consolidation of ethnic identity in host societies through participation immigrant sports and exclusive sporting organizations assimilation into host societies through participation in indigenous national sports and the construction by outsiders of separate ethnic identities according to sporting criteria *Deconstructing Will Smith* Willie Tolliver,2022-01-10 Acclaimed actor and rap artist Will Smith has achieved a level of Hollywood fame rarely attained by a Black celebrity Early in his career Smith aspired to be the world s most famous movie star and being named the world s top film attraction in 2008 fulfilled his goal While his rise to a place of worldwide prominence and cultural relevance has made him iconic his accomplishments have not received the full

and thorough acknowledgement and analysis they merit This is the first full length critical look at the significance of Will Smith s achievements over a more than 30 year career Many of his films have broken cultural norms by depicting Black men in groundbreaking social settings like the role of the world saving hero in his most popular films In addition to analyzing Smith s filmography this work contextualizes other popular and common portrayals of Black men in media and society Finally this book examines Smith s work in his middle age ruminating on his ability to adapt to the realities of a new Hollywood

The Literary Filmography Leonard Mustazza,2006-05-17 From the very infancy of the film industry filmmakers have relied heavily upon literature as the foundation for their movie material Well known literary works such as Dickens s A Christmas Carol and Hawthorne s The Scarlet Letter were adapted to film in the silent era as were such books as Thomas Dixon s Jr s The Klansman basis for the film Birth of a Nation In recent years Nick Hornsby s About a Boy and each of Helen Fielding s Bridget Jones s Diary novels were the basis for popular movies bearing the same names A guide to English language works that have been adapted as theatrical and television films this volume includes books both fiction and non fiction short stories newspaper and magazine articles and poems Entries are arranged alphabetically by literary title with cross listings for films made under different titles Each entry includes the original work s title author year of first publication literary prizes and a brief plot summary Information on film adaptation s of the work including adaptation titles director screenwriter principal cast and the names of the characters they portray major awards and availability in the most common formats DVD VHS is also offered *Enser's Filmed Books and Plays* Ellen Baskin,2018-04-27 This title was first published in 2003 The sixth edition of this compendium of film and television adaptations of books and plays includes several thousand new listings that cover the period from 1992 to December 2001 There are 8000 main entries covering 70 years of film history including some foreign language material *African-American Athletes* Nathan Aaseng,2014-05-14 African Americans have been participating in sports in the United States since the 19th century long before many whites accepted them in this context Since World War II they have become recognized as competitors in such diverse fields as baseball boxing football track and field gymnastics tennis and golf The change from whites only participation to black dominance in many sports did not come painlessly or without the remarkable perseverance of individual athletes From the early years to the present day an impressive array of blacks have achieved success as athletes This book profiles more than 155 athletes Each enlightening biographical entry concentrates on the events in that person s life related to his or her accomplishments as an athlete and includes a list of further reading on that person An introduction bibliography subject indexes general index and 50 photographs round out the resource Book jacket **From Season to Season** Joseph L. Price,2001 In From Season to Season Sports as American Religion nine scholars of religion and theology explore the relationship between religion and sports in American popular culture and the role of sports as religion **Interdisciplinary Analyses of Professional Basketball** Till Neuhaus,Niklas Thomas,2024-01-03 This edited collection conceptualizes professional basketball not just as

a sport but as an historically culturally and economically embedded entity The chapters analyse the fact that the sport of basketball contains alternative logics that can easily clash and by treating professional basketball as the negotiation place of these multiple demands ideas and logics the editors have identified three areas in which these clashes manifest the realization of the game the cultural impact of professional basketball and the global outreach of professional basketball The book is explanatory and qualitative offering new perspectives and touching on topics including gender diversity racism and minority experiences within professional basketball As such it will be of interest to sport sociologists as well as those researching the history of sport sports marketing and cultural studies **The Chicago Sports Reader** Steven A.

Riess, Gerald R. Gems, 2009 A celebration of the fast the strong the agile and the tricky throughout Chicago's storied sports history **Encyclopedia of World Biography: Hoxha-Kierkegaard**, 1998 Presents brief biographical sketches which provide vital statistics as well as information on the importance of the person listed

African-American Sports Greats

David L. Porter, 1995-10-30 African American athletes have played a significant role in the development and popularity of American professional sports and have encountered numerous obstacles on the road to athletic success This is the first comprehensive multi sport biographical dictionary of African Americans who reached the pinnacles of success in their sport It contains more personal and career profiles of African American sports greats than are found in any other single source Biographical profiles of 166 noted athletes coaches and administrators in team and individual sports include both historical figures such as Jesse Owens and Satchel Paige and contemporary stars such as Charles Barkley Ken Griffey Jr Michael Jordan Jackie Joyner Kersee Shaquille O Neal and Emmitt Smith Forty four sports historians contributed the colorfully written biographies which blend both personal background information and athletic career accomplishments All information is current through the middle of 1995 The dictionary covers the contributions made by African American greats in football baseball basketball track and field boxing wrestling auto and stock car racing golf thoroughbred racing tennis cycling and figure skating More than two thirds of the entries represent team sports The dictionary is organized alphabetically by person Each colorfully written profile is 800 1 000 words in length and traces the subject's personal life family and educational background personal struggles career accomplishments records set statistical data awards and honors and overall impact and features lively quotations by and about the sports luminaries Each entry contains a handy bibliography of books and articles about the subject Biographies of managers coaches and club executives describe their teams statistical achievements accomplishments strategy and sports impact A general introduction traces the historic struggle of African American athletes in professional and Olympic sports and appendices provide alphabetical listings of biographical entries and entries by sport A selection of photos complement the profiles For the sports fan or librarian this is a first stop for biographical information that captures the personality of the athlete and includes all the pertinent information about his or her accomplishments It is an essential addition to the reference sections of junior high high school and public libraries
