**Post Traumatic Stress And Disorderly** Mark Scott,2022-11-30 *Post Traumatic Stress and Disorderly* is one man s story growing up in Liverpool UK and his fight with the mental health condition PTSD manifested by multiple horrific ordeals Symptoms first surfaced as a young teenager after being targeted by the notorious Liverpool Bogeyman during the eighties stalked and bullied until a violent confrontation was the only way out of the harrowing situation thus becoming the catalyst

for the debilitating mental state His ordeal included witnessing three murders including two in a double gangland execution of friends in his family run health club in the nineties the investigation the suspicion of his involvement by the police the court cases as a pivotal witness the wearing of a bullet proof vest and self prescribed remedies of cocaine and alcohol to escape the torturing images embedded into his now fragile mindset These remedies were just as destructive helping the demise to an already crumbling psyche This book is a brutally honest account of one man s failings to some degree successes in his elusive search for a more stable peace of mind But it didn t stop there Bolstering the attacks of PTSD he experienced a car bomb attack to kill and destroy a near psychotic encounter with a global superstar incarceration to HMP Liverpool a near fatal stabbing on a family holiday right up to the experiences of losing both parents within fifteen months of each other one to the pandemic in 2020 and the tragic premature loss of his oldest brother shortly after This is an account of creating antidotes for better mental health finally accumulating into a formula of stability that the mental health professionals failed to provide Like the ups and downs of a vast mountain range Post Traumatic Stress and Disorderly will take you down to the caverns of despair soaring to the peaks of personal achievement in a war the author has had with himself

years pursuing French citizenship and whose experiences were inevitably shaped by individual perspectives expectations and beliefs The content is divided into parts related to my stay in certain regiments of the Foreign Legion 1 RE 4 RE 3 REI These parts are divided into specific chapters and then into more particular mini themes If you aim to inform yourself about something specific you can find it in a table of contents If the topic is irrelevant the reader can skip it and go to the content he is more interested in If all goes well the content presented here will be Part 1 mainly describing my first steps of emigration boot camp and my stay in French Guiana
