**101 Middle Eastern Tales and Their Impact on Western Oral Tradition** Ulrich Marzolph, 2020-08-18 A comprehensive exploration of the Middle Eastern roots of Western narrative tradition Against the methodological backdrop of historical and comparative folk narrative research 101 Middle Eastern Tales and Their Impact on

Western Oral Tradition surveys the history dissemination and characteristics of over one hundred narratives transmitted to Western tradition from or by the Middle Eastern Muslim literatures i.e. authored written works in Arabic Persian and Ottoman Turkish For a tale to be included Ulrich Marzolph considered two criteria that the tale originates from or at least was transmitted by a Middle Eastern source and that it was recorded from a Western narrator's oral performance in the course of the nineteenth or twentieth century The rationale behind these restrictive definitions is predicated on Marzolph's main concern with the long lasting effect that some of the Oriental narratives exercised in Western popular tradition those tales that have withstood the test of time Marzolph focuses on the originally Oriental tales that became part and parcel of modern Western oral tradition Since antiquity the Orient constitutes the quintessential Other vis-à-vis the European cultures While delineation against this Other served to define and reassure the Self the Orient also constituted a constant source of fascination attraction and inspiration Through oral retellings numerous tales from Muslim tradition became an integral part of European oral and written tradition in the form of learned treatises medieval sermons late medieval fabliaux early modern chapbooks contemporary magazines and more In present times when national narcissisms often acquire the status of strongholds delineating the Us against the Other it is imperative to distinguish document visualize and discuss the extent to which the West is not only indebted to the Muslim world but also shares common features with Muslim narrative tradition 101 Middle Eastern Tales and Their Impact on Western Oral Tradition is an important contribution to this debate and a vital work for scholars students and readers of folklore and fairy tales

**Mexican Folk Narrative from the Los Angeles Area** Elaine K. Miller, 2014-08-27 Urban Los Angeles is the setting in which Elaine Miller has collected her narratives from Mexican Americans The Mexican folk tradition varied and richly expressive of the inner life not only of a people but also of the individual as each lives it and personalizes it is abundantly present in the United States Since it is in the urban centers that most Mexican Americans have lived this collection represents an important contribution to the study of that tradition and to the study of the changes urban life effects on traditional folklore The collection includes sixty-two legendary narratives and twenty traditional tales The legendary narratives deal with the virgins and saints as well as with such familiar characters as the vanishing hitchhiker the headless horseman and the llorona Familiar characters appear in the traditional tales Juan del Oso Blancaflor Pedro de Ordimalas and others Elaine Miller concludes that the traditional tales are dying out in the city because tale telling itself is

not suited to the fast pace of modern urban life and the situations and characters in the tales are not perceived by the people to be meaningfully related to the everyday challenges and concerns of that life The legendary tales survive longer in an urban setting because although containing fantastic elements they are related to the beliefs and hopes of the narrator even in the city one may be led to buried treasure on some dark night by a mysterious woman The penchant of the informants for the fantastic in many of their tales often reflects their hopes and fears such as their dreams of suddenly acquiring wealth or their fears of being haunted by the dead Miller closely observes the teller's relation to the stories to the duendes the nimas Death God the devil and she notes the tension on the part of the informant in his relation to their religion The material is documented according to several standard tale and motif indices and is placed within the context of the larger body of Hispanic folk tradition by the citation of parallel versions throughout the Hispanic world The tales transcribed from taped interviews are presented in colloquial Spanish accompanied by summaries in English *A Latino Heritage, Series V* Isabel Schon, 1995 An aid for librarians and teachers interested in exposing students in kindergarten through high school with an understanding and appreciation of the people history and art and political social and economic problems of Central and South American countries and Latino heritage people in the United States **Journal of Religious Psychology, Including Its Anthropological and Sociological Aspects**, 1913 Includes section Book reviews **The American Journal of Religious Psychology and Education**, 1913 Wilderness Tales Diana Fuss, 2023-02-28 A dazzling collection of short stories about North American outdoor life both classic and contemporary from James Fenimore Cooper and Jack London to Margaret Atwood and Anthony Doerr and many more The North American landscape in its rich and rugged variety has inspired an equally wide and deep range of fiction over the past centuries Diana Fuss has gathered a rich collection of timeless classics and contemporary discoveries summoning up our close and imagined encounters with all things wild From the nineteenth century's Washington Irving Rip Van Winkle to the twenty first century's Ted Chiang The Great Silence a panoramic view of wilderness fiction from Gothic tales of mystery and suspense The Heroic Slave by Frederick Douglass to tales of danger and survival Walking Out by David Quammen from modern tales of retreat and solitude Happiness by Ron Carlson to never before told tales of our new reality of environment and extinction the river by adrienne maree brown these are stories that reveal the many ways in which the American literary landscape has shaped and is shaped by our conceptions of the wild Diana Fuss nimbly shows in her introductory text and commentary throughout the development of the wilderness story from its emergence in the work of Nathaniel Hawthorne Young Goodman Brown and James Fenimore Cooper A Panther Tale to the height of its popularity in the stories of Jack London To Build a Fire to the environmentally conscious writing of T C Boyle After the Plague and Karen Russell St Lucy's Home for Girls Raised by Wolves Among those whose work appears in the collection Wallace Stegner Annie Proulx Ambrose Bierce Ernest Hemingway William Faulkner L Frank Baum Margaret Atwood Tommy Orange Walter Van Tilburg Clark and Ray Bradbury *Helping Your Child Become a Responsible Citizen*

man suffered a fatal heart attack some saying because of the pressure he was under to sell the Mob s dope which they forced on him and he didn t know how to handle while fearing the wrath of the organization if he messed up Immediately after the death of Boss man Lady while grieving his loss wasn t sure she could fill his shoes But with the aid of Old Ben one of Boss s life long friends and barber shop owner she pulled herself together and managed to keep the whorehouse open even getting more girls to join her stable Once Boss lady found her feet she became unsatisfied with only running one place She was ambitious She while using money Boss man left her purchased another house and hired another retired pimp to run it The question is would her ambition be the catalyst which would bring her criminal life crashing down on her head     Journal of American Folklore ,1913     **Resources in Education** ,1981-10
