the ancient world but have since been altered recycled and manipulated to fit a particular agenda Ranging from Tacitus Leonidas and Xerxes via Shahriar Mandanipour and Azar Nafisi to Rosewater Argo and 300 this inter disciplinary and wide ranging volume is essential reading for anyone working on the complex history present and future of Iranian Western relations Beginning Politics Cosroe Chaquèri,1996 **Tales of Persia** William McElwee Miller,1988 Twenty three stories relating the dangers and the thrills of being a Christian missionary in Muslim Iran *The Oxford Handbook of Christian Fundamentalism* ,2023-10-26 Christian fundamentalism is a significant global movement which originally took its name from The Fundamentals a series of booklets defending classic evangelical doctrines published in the 1910s The Oxford Handbook of Christian Fundamentalism traces the roots of fundamentalism from the late nineteenth century and explores the development of the movement up to the present day Since its inception fundamentalism has proved a highly contested category By some the label is recognised as a badge of honour by others a term of abuse This volume does not offer a simple definition of fundamentalism Rather it acknowledges its many interpretative and definitional complexities and allows multiple identities to jostle together under the fundamentalist label The boundaries are porous between fundamentalism and conservative evangelicalism so the Handbook includes analysis of some conservative expressions of Christianity which show fundamentalist characteristics even in groups which refuse to define themselves as fundamentalist The relationship of fundamentalism to Pentecostalism and charismatic renewal is also explored in detail Research led chapters cover significant historical developments key doctrines such as biblical inerrancy creationism and separatism and an extensive range of moral and cultural issues to which the contribution of fundamentalism has been significant including popular music alcohol sport and family life Contributors also chart the evolution of the movement globally far beyond its North Atlantic origins Recognising the prominence of fundamentalism beyond the Church the Handbook explores its contribution to public debates concerning political influence education human genetics civil rights business global warming sexuality Israel and the Middle East the shaping of contemporary culture and much else Christian fundamentalism this Handbook ultimately shows is one of the most significant movements operating in today s world **Persian Narrative Poetry in the Classical Era, 800-1500: Romantic and Didactic Genres** Mohsen Ashtiani,2023-01-12 The third volume in this ground breaking series Persian Narrative Poetry in the Classical Era 800 1500 Romantic and Didactic Genres introduces masterpieces of Persian literature from these seven centuries to an international audience In the process it underlines the remarkable tenacity of their malleable tradition the perennial dialogue and the interconnectedness which binds together a vast and varied literature composed of many threads romantic and didactic in many lands from Anatolia and Iran to India and Central Asia In its companion volume Persian Lyric in the Classical Era 800 1500 the readers of the series will have already met in passing all the mythical and historical figures who appear with far more aplomb on the stage here with their lives narrated in detail by poets of different caliber from different perspectives The first two chapters of this volume recount the literary history of the
