The big otter, a tale Robert Michael Ballantyne, 1887

The Tale of the Saejenjou - Book 1 The Great Desert Robert Dodd, Jr, 2012-03-12 For thousands of years while the rest of mankind slept in barbarism and ignorance they refined the arts of civilization They are the Sarithans the most advanced and cultured race in the world When barbarous stone age tribes

washed up on their shores the Sarithans taught them how to read and write taught them their calendar and the days of the year and taught them mathematics and agriculture These barbarians repaid them with war Now the Sarithan Commonwealth is the richest most powerful most cultured coldest most ruthless most populous most technologically advanced nation on the planet And they worship a dark inscrutable god who wants to destroy the world and all Creation And Aren Elderwood is afraid that they might actually be able to do it **Tales from an Uncertain World** L. S. Gardiner, 2018-03-15 So far humanity hasn't done very well in addressing the ongoing climate catastrophe Veteran science educator L S Gardiner believes we can learn to do better by understanding how we've dealt with other types of environmental risks in the past and why we are dragging our feet in addressing this most urgent emergency Weaving scientific facts and research together with humor and emotion Gardiner explores human responses to erosion earthquakes fires invasive species marine degradation volcanic eruptions and floods in order to illuminate why we find it so challenging to deal with climate change Insight emerges from unexpected places a mermaid exhibit a Magic 8 Ball and midcentury cartoons about a future that never came to be Instead of focusing on the economics and geopolitics of the debate over climate change this book brings large scale disaster to a human scale emphasizing the role of the individual We humans do have the capacity to deal with disasters When we face threatening changes we don't just stand there pretending it isn't so we do something But because we're human our responses aren't always the right ones the first time yet we can learn to do better This book is essential reading for all who want to know how we can draw on our strengths to survive the climate catastrophe and forge a new relationship with nature

R. Kets de Vries, 2023-12-13 Manfred Kets de Vries wears many hats psychoanalyst executive coach consultant management educator researcher writer but he has noticed that whichever hat he is wearing every question he is asked boils down to one thing How can I live a well lived life Over many years of practice in all these disciplines Professor Kets de Vries has realized

the unsurpassed value of stories in tackling human dilemmas and providing answers to this question The book is therefore one of the most important books he has written for coaches students leaders managers educators or anyone seeking a more reflective text to guide them through the multitude of questions that we face in work and in life He draws on a long literary tradition of the unexpected encounter with a wise other fantastic or magical think The Little Prince Alice s Adventures in Wonderland The Once and Future King the Harry Potter novels to animate an exploration of the deepest questions and concerns of human beings He constructs an extended Socratic dialogue between his two selves the first a na ve traveler lost in the Siberian wilderness and the second a reflective avatar who comes to his aid The avatar takes the form of a kabouter a familiar figure in Dutch folklore whose counterpart can be found in different cultures around the world and throughout centuries of storytelling Through stories riddles and puzzles the kabouter challenges the traveler to question and reflect upon his life and values guiding him and readers toward the insights that will help them achieve a life well lived

Before Fidel Francisco José Moreno, 2010-01-01 Before Fidel Castro seized power Cuba was an ebullient and chaotic society in a permanent state of turmoil combining a raucous tropical nature with the evils of arbitrary and corrupt government Yet this fascinating period in Cuban history has been largely forgotten or misrepresented even though it set the stage for Castro s dramatic takeover in 1959 To reclaim the Cuba that he knew and add color and detail to the historical record distinguished political scientist Francisco Jos Moreno here offers his recollections of the Cuba in which he came of age personally and politically Moreno takes us into the little known world of privileged upper middle class white Cubans of the 1930s through the 1950s His vivid depictions of life in the family and on the streets capture the distinctive rhythms of Cuban society and the dynamics between parents and children men and women and people of different races and classes The heart of the book describes Moreno s political awakening which culminated during his student years at the University of Havana Moreno gives a detailed insider s account of the anti Batista movement including the Ortodoxos and the Triple A He recaptures the idealism and naivet of the movement as well as its ultimate ineffectiveness as it fell before the juggernaut of the Castro Revolution His own disillusionment and wrenching decision to leave Cuba rather than accept a commission in Castro s army poignantly closes the book
