Tales from an Adirondack County Ted Aber, Stella Brooks King, 1961 Contains period stories derived from legends and lore of Northern New York from 19th and early 20th century Historic Tales from the Adirondack Almanack John Warren, 2009-07-16 Northern New Yorks Adirondack Park is a naturalists wonderland of high peaks plunging chasms pristine waters and stunning vistas In this collection of columns from the popular series the Adirondack Almanack author John Warren reveals another side of this charming land Stories of bank robberies the Ku Klux Klan gambling buried treasure rattlesnakes and earthquakes abound Showing careful research and a panache for storytelling Warren takes the mountain path less traveled where locals and visitors alike will be surprised by the hidden gems of the Adirondacks **Crimes**

Against Nature Karl Jacoby, 2014-02-22 This Study of the Early American conservation movement reveals the hidden history of three of the nation s first parks the Adirondacks Yellowstone and the Grand Canyon Karl Jacoby traces the effects that the criminalization of such traditional rural practices as hunting fishing and foraging had on country people in these areas Despite the presence of new environmental regulations poaching arson and timber stealing became widespread among the Native Americans poor whites and others who had long relied on the natural resources now contained within conservation areas Jacoby reassesses the nature of these crimes providing a rich and multifaceted portrayal of rural people and their relationship with the natural world in the late nineteenth and early twentieth centuries Crimes against Nature includes previously unpublished historical photographs depicting such subjects as poachers in Yellowstone and a Native American squatters camp at the Grand Canyon This study demonstrates the importance of considering class for understanding environmental history and opens a new perspective on the social history of rural and poor people a century age Jacket of 2001 edition *From Then Till Now* Fred Tracy Stiles, 1980 **Body, Boots, and Britches** Harold W.

Thompson, 1979-11-01 A superb blend of good story telling and sound scholarship this book provides a fascinating record of what country New Yorkers have had to say and sing about themselves as they made their way through three centuries You ll find stories and songs about pioneers Injun fighters canallers outlaws uncanny critters lumberjacks farmers lovers murderers

and tricksters You ll even be reminded that piracy and whaling are part of New York s many faceted tradition One chapter examines the origins of New York s strange place names Another is devoted to an engrossing account of New York s proverbs and folk wisdom **Adirondack Life** ,2002 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1962 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December

North Country Life and York State Tradition ,1962 **Rural Indigenouness** Melissa Otis,2018-12-20 The Adirondacks have been an Indigenous homeland for millennia and the presence of Native people in the region was obvious but not well documented by Europeans who did not venture into the interior between the seventeenth and early nineteenth centuries Yet by the late nineteenth century historians had scarcely any record of their long lasting and vibrant existence in the area With **Rural Indigenouness** Otis shines a light on the rich history of Algonquian and Iroquoian people offering the first comprehensive study of the relationship between Native Americans and the Adirondacks While Otis focuses on the nineteenth century she extends her analysis to periods before and after this era revealing both the continuity and change that characterize the relationship over time Otis argues that the landscape was much more than a mere hunting ground for Native residents rather it a location of exchange a space of interaction where the land was woven into the fabric of their lives as an essential source of refuge and survival Drawing upon archival research material culture and oral histories Otis examines the nature of Indigenous populations living in predominantly Euroamerican communities to identify the ways in which some maintained their distinct identity while also making selective adaptations exemplifying the concept of survivance In doing so **Rural Indigenouness** develops a new conversation in the field of Native American studies that expands our understanding of urban and rural indigeneity **Handbook of the Linguistic Atlas of the Middle and South Atlantic States** William A. Kretzschmar,William A. Kretzschmar Jr.,1993-09-15 Who uses skeeter hawk snake doctor and dragonfly to refer to the same insect Who says gum band instead of rubber band The answers can be found in the Linguistic Atlas of the Middle and South Atlantic States LAMSAS the largest single survey of regional and social differences in spoken American English It covers the region from New York state to northern Florida and from the coastline to the borders of Ohio and Kentucky Through interviews with nearly twelve hundred people conducted during the 1930s and 1940s the LAMSAS mapped regional variations in vocabulary grammar and pronunciation at a time when population movements were more limited than they are today thus providing a unique look at the correspondence of language and settlement patterns This handbook is an essential guide to the LAMSAS project laying out its history and describing its scope and methodology In addition the handbook reveals biographical information about the informants and social histories of the communities in which they lived including primary settlement areas of the original colonies Dialectologists will rely on it for understanding the LAMSAS and historians will find it valuable for its original historical research Since much of the LAMSAS questionnaire concerns rural terms the data collected from the interviews can pinpoint such language differences as those between areas

of plantation and small farm agriculture For example LAMSAS reveals that two waves of settlement through the Appalachians created two distinct speech types Settlers coming into Georgia and other parts of the Upper South through the Shenandoah Valley and on to the western side of the mountain range had a Pennsylvania influenced dialect and were typically small farmers Those who settled the Deep South in the rich lowlands and plateaus tended to be plantation farmers from Virginia and the Carolinas who retained the vocabulary and speech patterns of coastal areas With these revealing findings the LAMSAS represents a benchmark study of the English language and this handbook is an indispensable guide to its riches

Around Remsen and Steuben Megan Plete Postol, 2016-09-12 The first settlers of the rugged wilderness that became the towns of Remsen and Steuben were hearty pioneers Welsh immigrants and a famous Revolutionary War hero The untamed forest of Oneida County proved challenging but not insurmountable for Remsen's first settler Barnabas Mitchell and the noble Friedrich Wilhelm August Heinrich Ferdinand Steuben who was famed with being the sturdy backbone of Washington's Continental Army and known as the Drillmaster of the Revolution The area flourished into a place of farming manufacturing business and religion Settlers ranged from rollicking woodsmen to large working families to pious pastors There were so many churches that the lands of Steuben became known as the singing hills It has been said that the courage of a Welshman rises in proportion to the obstacles thrown in his path This book strives to tell their tales through visuals of old Remsen and Steuben

Environment, Space, Place - Volume 5, Issue 2 (Fall 2013) C. Patrick Heidkamp, Troy Paddock, Christine Petto, 2013-01-01

Big Moose Lake in the Adirondacks Jane A. Barlow, 2004-06-01 Big Moose Lake in the Adirondacks is the lively and well documented story of the growth of the lake side community made famous by the incident that inspired Theodore Dreiser's *An American Tragedy* The rich history of the lake unfolds with stories of its early residents hunters and guides Jim Higby Billy Dutton Henry Covey and Bill Dartin the late 1870s of the lake's ownership by William Seward Webb of the construction of the first private camp Club Camp in 1878 and the coming of hotels and resorts beginning in 1880 with the construction of Camp Crag From a time when a telephone number was a simple 8F6 and the pickle boat brought supplies to camp to more recent stories of exuberant waterskiing and

motorboat regattas the book includes a detailed history and descriptions of the camps and resorts on the lake persons and celebrities who made the lake their year round or seasonal home including actress Minnie Maddern Fiske and artist David Milne natural disasters and political events recreation and the work of the Big Moose Property Owners Association This is the story of Big Moose Lake brought to life by more than 275 family photographs antique postcards and previously unpublished memoirs oral histories diary entries and the personal correspondence of the men and women who settled the area and of those who call it home **Research and Publications in New York State History** ,1978 The Publishers Weekly ,1905

Reviewing **Tales From An Adirondack County**: Unlocking the Spellbinding Force of Linguistics
