Shifting Stories Sarah M. Allen, 2020-10-26 *Shifting Stories* explores the tale literature of eighth and ninth century China to show how the written tales we have today grew out of a fluid culture of hearsay that circulated within elite society Sarah M Allen focuses on two main types of tales those based in gossip about recognizable public figures and those developed out of lore concerning the occult She demonstrates how writers borrowed and adapted stories and plots already in circulation and how they transformed them in some instances into unique and artfully wrought tales For most readers of that era tales remained open texts subject to revision by many hands over the course of transmission unconstrained by considerations of textual integrity or authorship Only in the mid to late ninth century did some readers and editors come to see the particular wording and authorship of a tale as important a shift that ultimately led to the formation of the Tang tale canon as it is envisioned today

CONFLICT - The Insiders' Guide to Storytelling in Factual/Reality TV & Film Robert Thirkell, 2010-10-15 The recipe book of great television from one of the best TV makers in the world Jamie Oliver Story structure is a huge weakness for many factual or reality filmmakers and TV producers who often concentrate on subject

areas and issues rather than dramatic and memorable narrative Consequently programmes fail to attract the audience or win any awards In this book Robert Thirkell the international consultant known as The TV Troubleshooter and renowned television producer sets out a professional toolkit for developing a compelling storyline in factual and reality programmes and films Based on his popular international C O N F L I C T seminars it lifts the lids on the making of leading series such as Kitchen Nightmares Wife Swap The Apprentice Coastguards Firefighters Oprah s Big Give Fat March Jamie s School Dinners and When Big Chef Met Little Chef as well as offering insight and advice from leading filmmakers and TV producers worldwide The tips and tools go right the way through the filmmaking process from finding stories and characters to structuring scripts and filming editing through to delivery titles and getting people to watch **Tales of Taneslan** Kristen Jackson,2006 Within these pages is a secret It is a secret that cannot be kept and cannot be told It all began when Patsy picked up her Aunt Red s diary and unleashed the mysteries of a magical land named Taneslan In this tale of adventure and beauty young Patsy Pruitt travels to a magical land to search out its secrets Following in the footsteps of her Aunt Red s many adventures Patsy learns to see many things she never even knew existed *The Shamanic Themes in Chechen Folktales* Michael Berman,2009-03-26 All intellectuals driven by nationalist sentiments directly or indirectly are always preoccupied with searching for the most ancient roots of their budding nations in order to ground their compatriots in particular soil and to make them more indigenous Znamenski 2007 p 28 In Chechnya as in the neighbouring countries of Georgia and Armenia these roots lie in shamanism and the stories in this collection clearly show this to be the case The history of the Nokhchii the name the Chechens have given themselves and their land is filled with rich and colourful stories which have survived for thousands of years through oral traditions that have been passed down generation by generation through clan elders However legends have blended with actual events so that the true history is difficult to write The 1994 1996 war destroyed most of Chechnya s treasured archaeological and historical sites though fortunately ancient burial sites architectural monuments and several prehistoric cave petroglyphs still remain in the mountains These valuable relics coupled with the histories and stories of the elders provide the people with virtually the only remaining evidence of who their ancient ancestors were This book contains both the texts of some of the tales and commentaries on them focusing in particular on their shamanic elements **The Invisible College Magazine** Gwylm Llwydd,
