children by telling their history in stories Short simply written chapters packed with living characters and thrilling action and  
 illustrated with vivid colour pictures illuminate all the main events from Britain s earliest days to the end of Victoria s reign  
 And its glorious fusion of myth and legend with sober fact Canute and King Arthur with Cromwell and the Indian Mutiny is as  
 seductive now as it ever was I was given H E Marshall s Our Island Story at Christmas 1936 and I ve still got that copy It was  
 a direct inspiration for me in my career as a historian Antonia Fraser It is written in a way that really captured my  
 imagination and which nurtured my interest in the history of our great nation David Cameron One of the most influential  
 works of history of the 20th century Times Educational Supplement **The Self Possessed** Frederick M. Smith,2006-12-05  
 The Self Possessed is a multifaceted diachronic study reconsidering the very nature of religion in South Asia the culmination  
 of years of intensive research Frederick M Smith proposes that positive oracular or ecstatic possession is the most common  
 form of spiritual expression in India and that it has been linguistically distinguished from negative disease producing  
 possession for thousands of years In South Asia possession has always been broader and more diverse than in the West

where it has been almost entirely characterized as demonic At best spirit possession has been regarded as a medically treatable psychological ailment and at worst as a condition that requires exorcism or punishment In South and East Asia ecstatic or oracular possession has been widely practiced throughout history occupying a position of respect in early and recent Hinduism and in certain forms of Buddhism Smith analyzes Indic literature from all ages the earliest Vedic texts the Mahabharata Buddhist Jain Yogic Ayurvedic and Tantric texts Hindu devotional literature Sanskrit drama and narrative literature and more than a hundred ethnographies He identifies several forms of possession including festival initiatory oracular and devotional and demonstrates their multivocality within a wide range of sects and religious identities Possession is common among both men and women and is practiced by members of all social and caste strata Smith theorizes on notions of embodiment disembodiment selfhood personal identity and other key issues through the prism of possession redefining the relationship between Sanskritic and vernacular culture and between elite and popular religion Smith s study is also comparative introducing considerable material from Tibet classical China modern America and elsewhere Brilliant and persuasive *The Self Possessed* provides careful new translations of rare material and is the most comprehensive study in any language on this subject
