## **Tales Of The Trapline:**

**Tales of the Trapline** Janette Ross Riehle, 2005-07 Sylvia will you go out on the trapline with me this fall Vernon asked Well don t you think we should get married first she asked not wanting him to think that she was that kind of girl His reply was quick in coming I already asked you to do that That hasn t changed Well in that case she blushed the answer is Yes Yes I ll go out to the creek with you Vernon wanted to get married right away but there was one difficulty They were both young adventuresome and accustomed to hard work hardships and depending on their own resources as they made their plans that summer of 1937 Two months later they began their trip to an isolated trapline cabin on Alexander Creek 40 miles from Anchorage which was to be their new home But would they be able to face the challenges of traveling up a swift winding stream in a 14 foot rowboat of spending the winter alone without seeing another human being for weeks at a time of making a living by trapping raising mink and fishing out of the stream in front of the cabin of cutting trees and building a log cabin for their growing family Would they escape the dangers of breaking through the ice during freezing weather of crossing the frequently stormy Cook Inlet in an open dory of accidents and illnesses with no way to call for medical help Then there were the frustrations of having four children in five years while living in a tiny one room cabin the tensions of the war years when all of Alaska was a war zone the pain of losing Sylvia s younger sister to cancer *Tales of the Trapline* , **Bear Tales and Trapline Trails** Robert Gilman, 2014-05-01 Bob Gilman s life story includes rascals ruffians damsels in distress hunting trapping Oregon history and much more The book spans a sixty year period and includes a short family history a boy growing up in rural Oregon trapping furs for a livelihood and nearly thirty years contracting bear damage and other wildlife control for some of the largest corporate land managers in Oregon Hunting adventures and survival events are a significant part of this book that will educate and entertain the reader Close calls and life fearful encounters strange people wildlife studies politics and news media encounters are among the numerous life stories **Alaska Tales** Jake Jacobson, 2014-11-12 You should buy this book It will make you laugh It is full of stories you ll want to read again and again You ll tell your friends about it Thinking about it will make you smile during boring meetings People will wonder what you are up to On a bad day when you ve screwed up at work your wife is mad at you and the kids are sick this book will give you half an hour s respite It will take you to a place of adventure danger and humor all woven together by one larger than life character I had to get all that down fast because it s important I m not a writer and I don t know how long I can hold your attention Dr Larry Gates The stories in this collection are true In some instances the names have been changed to protect the innocent and the not so guiltless With most days of the past forty seven years spent in Alaska the thirty six stories in this collection are connected primarily with Jake s guiding activities in the Great Land These stories were selected for their humorous content This selection of tales is trivial eclectic and of minimal redeeming value But there may be some valuable bits of information if one looks for them These stories attempt to entertain readers to give them a giggle or at least a wry smirk Finlay's River R.

M. Patterson, 2011-07-06 *Adventures on wild waters In Finlay's River* R M Patterson whose style was described by noted author Bruce Hutchison as a mixture between Thoreau and Jack London tells the story of his 1949 trip up this wild river in remote northern British Columbia Patterson uses his own journey as a framework to recount the adventures of explorers who went there before All had struggled up the Finlay for different reasons and all left spirited accounts of that challenging doomed river which Patterson brings to vivid life again Much of the Finlay a river of whitewater rapids that flowed through a magnificent country of dense forests and high mountains disappeared forever under the waters of Williston Lake with the completion of the W A C Bennett Dam in 1968 In this engaging book Patterson preserves the memory of this wilderness and the long gone adventurers who first told the world about its existence *Tales of Alaska's Bush Rat Governor* Jay Hammond, 1996-06 The former governor of Alaska recounts his childhood education war experiences and political career

**The Timber Wolf in Wisconsin** Richard P. Thiel, 1993 In early 1958 in the far northern town of Cornucopia Wisconsin's last timber wolf was accidentally run over by an automobile The humane intention to end the animal's suffering produced a grisly aftermath the wolf survived the impact of the car was bludgeoned with a tire iron twice but survived and finally had its throat slit with a restaurant knife This horrifying scene is certainly an apt if appalling symbol of the timber wolf's early fate in Wisconsin Feared detested hunted down for state authorized bounties the animal was systematically exterminated as an enemy of man and progress Yet this bleak chapter in the history of conservation has a happier ending Seventeen years later in 1975 the timber wolf had officially reestablished itself and as a protected species is now flourishing under the care of Wisconsin's Department of Natural Resources Few can be more caring than the author a DNR educator in wildlife management As an inquisitive teenager Richard Thiel began his pursuit of the Wisconsin timber wolf's story in the mid 1960s and has been at it ever since The result is this arresting intensely readable book a story of fear mistrust and misunderstanding that ends thankfully as one of hope and appreciation **Outlaw Tales of the Old West: Fifty True**

**Stories of Desperados, Crooks, Criminals, and Bandits** Erin H. Turner, 2016-06-03 This collection of fifty outlaw tales includes well knowns such as Butch Cassidy and the Sundance Kid Frank and Jesse James Belle Starr and her dad and Pancho Villa along with a fair smattering of women organized crime bosses smugglers and of course the usual suspects highwaymen bank and train robbers cattle rustlers snake oil salesmen and horse thieves Men like Henry Brown and Burt Alvord worked on both sides of the law either at different times of their lives or simultaneously Clever shyster Soapy Smith and murderer Martin Couk survived by their wits while the outlaw careers of the dimwitted DeAutremont brothers and bigmouthed Diamondfield Jack were severely limited by their intellect or lack thereof Nearly everyone in these pages was motivated by greed revenge or a lethal mixture of the two The most bloodthirsty of the bunch such as the heartless and some might argue soulless Annie Cook and trigger happy Augustine Chac n surely had evil written into their very DNA

**Trippers' Tales** Russell Smith, 1991 *Outlaw Tales of Alaska* John W. Heaton, 2015-05-01 Massacres mayhem and

mischievous fill the pages of *Outlaw Tales of Alaska* Pan for gold with dry gulchers and claim jumpers Duck the bullets of murderers plot strategies with con artists hiss at lawmen turned outlaws A refreshing new perspective on some of the most infamous reprobates of the Last Frontier From Unimak Island to Fairbanks and beyond the Last Frontier was populated by characters as tough and as dangerous as any in the lower forty eight Take the legendary Blue Parka Bandit whose generosity earned him Robin Hood status among some and whose flair for escapes kept folks on edge even after his arrest Or Fred Hardy who in 1902 achieved the dubious distinction of being the first convicted murderer hung by the feds in the Territory of Alaska That s not to mention Kultuk whose murderous exploits spread fear through the hearts of trappers in his rugged domain

**Into the Woods: Tales of a Wilderness Trapper** Pasquale De Marco, 2025-04-11 In the vast tapestry of nature s embrace where untamed wilderness reigns supreme there dwells a solitary spirit the trapper With a heart attuned to the heartbeat of the earth and eyes that pierce the veil of the ordinary they embark on a journey through the unexplored depths of the wild In this captivating book we accompany the trapper on an immersive odyssey into the heart of the wilderness We witness their intimate encounters with magnificent creatures both friend and foe and learn the profound lessons that only the wild can teach Through their experiences we gain a glimpse into the delicate balance that sustains all life the interconnectedness of all beings and the vital role that each plays in maintaining the harmony of the natural world The trapper s unwavering respect for the land and its inhabitants shines through in their every action They tread lightly upon the earth leaving minimal traces of their passage They take only what is necessary for survival and they give back in equal measure As we follow the trapper s footsteps we are inspired by their unwavering commitment to living in harmony with nature We come to understand the importance of preserving the delicate balance that sustains all life and we are moved to become better stewards of the earth This book is more than just a chronicle of a trapper s life it is an ode to the beauty and resilience of the natural world It is a call to action urging us to embrace our role as guardians of the wild and to protect the delicate ecosystem that sustains us all If you like this book write a review on google books
