Talisman Ring Georgette Heyer, 2009-03-01 A long lost family heirloom a young heir falsely accused of murder a band of smugglers two utterly delightful Heyer heroines a taciturn but highly resourceful older gentleman all play their parts in a tale funny enough to have you laughing aloud Publishers Weekly One of Heyer's funniest Regency romances and one of readers favorites An impetuous young lady and a fugitive nobleman When spirited Eustacie stumbles into a band of smugglers she is delighted to be having an adventure at last Their leader young heir Ludovic Lavenham is in hiding falsely accused of murder Pursued by the law Eustacie and Ludovic find refuge at an unassuming country inn And the delightfully sensible couple who try to keep them out of trouble The resourceful Miss Sarah Thane and the clear thinking Sir Tristram Shield gamely endeavor to prevent Ludovic's arrest and Eustacie's ruin as the four conspire to recover the missing talisman ring that will clear Ludovic's name WHAT READERS SAY A story in the manner of Jane Austen of domestic comedy and love affairs Times Literary Supplement A sparkingly witty book that had me laughing out loud A perfect blend of romance adventure and especially humor One couple is young and brash and fun and the other is older and more mature Seeing the older couple's relationship grow is one of the story's highlights This is a wonderfully rich novel full of excellent secondary characters with lots of charm and wit Nonstop laughter from cover to cover probably because there are two heroes and two heroines and their chemistry with each other is just sparkling Hilarious A hallmark of most of Georgette Heyer's works is her sense of humor her wit and comedic timing are at their best **Things Kept Secret from the Foundation of the World**, 1922

culture romance is connected with the realm of emotions private thought and sentimentality History its counterpart is the seemingly objective compendium of public fact In theory the two genres are diametrically opposed offering widely divergent views of human experience In this collection of essays however the writers challenge these basic assumptions and consider the two as parallel and as reflections of each other Looking closely at specific narratives they argue that romance and history share expectations and purposes and create the metaphors that can either hold cultures and institutions together or drive them apart The writers explore the internal contradictions of both genres as seen in works in which the elements of both romance and history are present The theme that flows throughout this collection is that romance literature and art frequently engage with or comment on actual historical events or histories Included among the contributions are discussions of romance and race in James Fenimore Cooper's *The Last of the Mohicans* the Rudolph Valentino film classic *The Sheik* the series of English Regency Romance novels the constructs of love and history in two of Alice McDermott's novels and a feminist reading of African American women's historical romances Moreover the essays approach romance and history from a variety of critical and political perspectives and examine a wide selection of romances from the 1800s to contemporary times They look at bestsellers and literary classics at texts by and for white audiences and at works created by writers on the margins of Western culture The anthology is a radical approach to romance a genre often dismissed as diversionary and reactionary It explores how well this genre serves for critical examinations of history
