*Talk Sexy to the One You Love and Other Secrets for Improving Communication* Barbara Keesling, 1995-12-01      **Talk Sexy to the One You Love** Barbara Keesling, PhD, 2009-03-17 When it comes to sex Barbara Keesling knows what she's talking about. A noted sex therapist, sex surrogate, and professor of sexuality, she was featured in Playboy magazine in a special photo layout. In *Talk Sexy to the One You Love*, Keesling shows readers a new way to heat up their lovemaking without special toys, gadgets, or superhuman agility. According to Keesling, the voice can be an incredibly potent erotic tool. The right words at the right time can start a fire burning inside that feels like it will never go out. To help readers hone their skills, she provides special exercises that allow them to vocalize sexual fantasies, have fun using enticing adjectives, and read aloud sexy bedtime stories. Moving from tame icebreakers to bona fide ice melters, these safe yet stimulating lessons are just what the doctor ordered for a more electrifying love life.

**Rx Sex** Barbara Keesling, 2000 Your Prescription for Good Health and a Great Relationship. People don't often think of lovemaking as a way to improve their health, but according to expert Dr. Barbara Keesling, loving sexual exchange can enhance physical, emotional, and spiritual wellness in real and amazing ways. And the same lovemaking includes all the elements necessary for a healing relationship: touch, communication, physical activity, and playfulness. *Rx Sex* asks what you want to heal: emotions, physical problems, or relationship, and directs you to the setting and exercises that are right for you. Adults of any age, sexual orientation, and level of fitness can perform the exercises, which progress from simple to advanced. The positive effects of this loving prescription include:

- Physical benefits: Strengthening your immune system, breathing and circulation, giving you healthier-looking skin, hair, and eyes; relieving pain and helping to improve chronic conditions.
- Mental and emotional benefits: Helping you overcome depression and anxiety; improving concentration and memory; restoring a positive body image and a sense of joy.
- Relationship benefits: Finding and bonding with a true partner; discovering the difference between having sex and making love; enriching your partnership with intimacy, mutuality, and commitment.

No pills to swallow, no shots to endure, just exciting, fulfilling lovemaking. What better prescription could there be for you and your partner or your relationship?

**Talk Sexy to the One You Love** Barbara Keesling, 1996 The author of *How to Make Love All Night* provides a collection of exercises that move from icebreakers to bona fide ice melters, including having fun with sexy adjectives, filling in the blanks of sexual fantasy, and reading sexy bedtime stories aloud.

This book will provide you with a set of specific guidelines for having effective conversations about sex with your partner and will also present a multitude of good and bad sexual coaching messages so that you will know exactly what to say and do, and maybe more importantly, what to not say and do.
