Surviving Marriage R. Harper Mason,2011-12-16

Sexperiment Ed Young,Lisa Young,2012-01-10 The predominant

message in our culture is that it s okay to have sex whenever wherever and however we want Sex has become just sex But

while society has taken sex too far the church hasn t taken it far enough God wants couples to make love in marriage with

passion with purpose and with pleasure Marriages aren t experiencing all the benefits that come from a healthy sex life

Couples are facing a barrage of influences that keep them from connecting with each other regularly the kids the career the house the errands etc SEXPERIMENT shows people that sex in marriage is more than just sex and it s more than a chore The Youngs believe it s time to get back to understanding the context of sex in marriage and that it s time for couples to break the barriers keeping them from a healthy sexual relationship Couples ought to experience the benefits of having sex regularly intentionally and creatively SEXPERIMENT will allow couples to discover that the intersection of God and sex can lead to a life punctuated by exclamation marks **Pathway to Intimacy** Carol Welch,2008-02 Does your marriage need a tune up

Are the pressures of life pulling you apart Have you gotten so busy with your lives that you have forgotten about your dreams

What you need is a little bit of faith and a great big change of perspective What you need is a fresh word from God Most of you believe Psalms 119 105 Thy word is a lamp unto my feet and a light unto my path But all too often the reality is that we don't really understand God's will and we don't know his plan for our marriage If I have hit the nail on the head take courage take hope and take this book home with you In it you will discover the pathway of God's Living Word Pathway to Intimacy will teach you how to seek God's will for your marriage how to find answers in God's Word how to empower your relationship with renewed love and how to intertwine God in your marriage My God can change your perspective and empower you to change your circumstances My God has a word for your marriage and once you hear that word you will never be the same again

Redeemed Sexuality Tim Konzen,Dr. Jennifer Konzen,2019-03-12 You are a sexual person Whether you are single or married a teenager or an older single adult God created you as a sexual person So how do we inhabit our sexuality in a way that brings honor to God And what exactly is sexuality Is it just sexual intercourse Or is it perhaps something much greater God created them male and female From the moment of our conception we are born in this act of creation as a sexual being God s creation was the work of a master artist It is vital that we discover both the artwork and the artist God intended for sex to be a wonderful good When someone allows God to guide them in how they engage in sex it can

Claire Robin, Love is something so beautiful everyone wishes to experience it but it is not without challenges in every relationship Relationships are always filled with ups and downs and in such times the strength of both love and understanding is tested Long distance relationships unlike relationships where the partners get to see each other frequently is more demanding It would take double efforts understanding trust and commitment to maintain them However there are many people in a long distance relationship that managed to keep it going regardless of the hurdles It just needs the effort of both parties and things will go smoothly If you're the only one striving to make things work then chances are your relationship will come to an end eventually Stay in a relationship where both parties are willing to fight for the blooming and thriving of the relationship As the saying goes it takes two to tango There are times when relationships start as short distanced but due to certain life changes such as work transfers new job offers or educational purposes one partner is made to move away from another and serious adjustments will have to be made Many relationships may even end due to this reason but there are many equally that do thrive as a result of joint efforts If you're looking for ways to revive and keep your long distance relationship blooming then this book is for you
