What We Talk About When We Talk About God Rob Bell, 2013-03-12 How God is described today strikes many as mean primitive backward illogical tribal and at odds with the frontiers of science At the same time many intuitively feel a sense of reverence and awe in the world Can we find a new way to talk about God Pastor and New York Times bestselling author Rob Bell does here for God what he did for heaven and hell in *Love Wins* he shows how traditional ideas have grown stale and dysfunctional and reveals a new path for how to return vitality and vibrancy to how we understand God Bell reveals how we got stuck why culture resists certain ways of talking about God and how we can reconnect with the God who is with us for us and ahead of us pulling us forward into a better future and ready to help us live life to the fullest **Talk to Him** Katleho Moloi, 2010-11-24 *Talk to Him* is a book which talks about the journey which one needs to take in learning how to talk God how to establish a relationship with your creator The book does not put prayer aside as there is a chapter in the book which talks about the importance and simplicity yet powerful force that prayer has God Talk Ruth A. Tucker, 2006-01-01 Does God speak The answer seems clear Books abound on the topic of hearing God s voice And many believers testify to God s conversational guidance in their life God told me to help you I knew it was God speaking to me Our culture reinforces the idea that speaking constant speaking is good and natural and essential In those rare moments during a day when talking ceases or when we re alone we quickly find some way to fill the void whether turning on the television or radio or calling someone on the phone With others and especially with God we get the message speaking is good silence is bad But still Ruth Tucker is not afraid to ask the question Does God speak And her answer might surprise you She urges caution in speaking about hearing God pointing out that our privatized spirituality often sets those who hear God on a pedestal and leaves those who don t feeling spiritually inferior Further she shows how the expectation of conversation may too easily humanize God in our minds causing us to approach God with the same attitude we have when we call a friend on the phone And if God does speak how can we be sure our own desires are not affecting our interpretation of God s voice In *God Talk* Tucker offers us a new paradigm for viewing silence and prayer Rather than feeling inferior when we don t hear God speak she helps us lean more deeply on his silent Spirit inspired Word By examining the Trinity Tucker gives us a new glimpse of how God the Father spoke his words in the past how Christ the Incarnate Word lived among us and how the Holy Spirit speaks to us now through Scripture Here is a probing thought provoking read on how our present active powerful God relates to us and how we in turn should relate to God **How to Talk with God** MR William S Black, 2016-01-09 God rescued me and pulled me out of dark places again and again while bringing healing and help of every kind Consequently my love for Him is intense and my gratitude overflowing I owe everything to Him and cannot repay even the smallest part In one of these darkest most painful

times I learned for myself that God is as close as you allow Him to be He has real power that I'd read about a thousand times but then experienced firsthand This was when I gained a sure knowledge that God hears and does answer our sincere prayers I learned that answers could come in real time I also discovered that you can figure out almost anything just from asking God Yes No questions and getting really good at detecting what each of those two responses feels like to you personally Once you have that difference clear then you can have confidence receiving and acting upon this most basic form of personal revelation How to talk with God is a simple guide for anyone who wants to begin or improve their communication with God The most effective tools are often the most simple and William Black maintains the simplicity while advancing the reader through the steps of communicating with God as one would speak with a father or trusted friend With light humor and engaging examples the reader is carried along a sweet and poignant journey culminating in an invitation to personally take part in The Glorious Conversation that is open to all How to talk with God brings insight clarity and will be read again and again
