The Sinking of the Titanic and Great Sea Disasters Logan Marshall, 2009 The Titanic greatest of ships has gone to her ocean grave What has she left behind her Think clearly She has left debts Vast sums of money have been lost Some of them are covered by insurance which will be paid The rest is gone All wealth is insecure She has left lessons The risk of running the northern course when it is menaced by icebergs is revealed The cruelty of sending a ship to sea without enough life boats and life rafts to hold her company is exhibited and underlined in black She has left sorrows Hundreds of human hearts and homes are in mourning for the loss of dear companions and friends The universal sympathy which is written in every face and heard in every voice proves that man is more than the beasts that perish It is an evidence of the divine in humanity Why should we care There is no reason in the world unless there is something in us that is different from lime and carbon and phosphorus something that makes us mortals able to suffer together For we have all of us an human heart
