

A portrait of Sir William Waller, a man with long, wavy brown hair and a light beard, wearing a white ruffled collar and a dark jacket. The background of the portrait is a faded, handwritten text in cursive script.

ROUNDHEAD GENERAL

THE CAMPAIGNS OF SIR WILLIAM WALLER

JOHN ADAIR

Sir William Waller The Campaigns Of A Roundhead General

David Clark

Sir William Waller The Campaigns Of A Roundhead General:

Roundhead General: a Military Biography of Sir William Waller John Eric Adair, 1969 **Roundhead General** John Eric Adair, 1997 Sir William Waller has been largely neglected in histories of the English Civil War and yet in 1645 when Waller had commanded a Parliamentary army for over two years Oliver Cromwell was still one of his subordinates Waller achieved distinction as a Parliamentarian General in the early years of the war successively becoming Major General in the West General of an army to be raised largely by the Independents and Major General of the Southern Association His career as a soldier was marked by several quite significant achievements notably the first major defeat of the King's cavalry at Cheriton in March 1644 An early advocate from his own bitter experiences of the need to remodel the armies of Parliament Waller accepted the military reforms introduced in the autumn of 1644 and after brief service as a caretaker in the West he retired to civilian life Besides containing the first continuous narrative of Waller's campaigns this book includes an introductory analysis of his army and a discussion of his political significance in the struggle between moderates and radicals in Parliament It also examines Waller's emergence after the war as leader of the Presbyterian party his expulsion from Parliament and imprisonment and finally his support for the Restoration of 1660 Roundhead General: The Campaigns of Sir William Waller John Adair, 2021-08-02 An engrossing account of one of the most important yet forgotten leaders of the English Civil War Perfect for readers of Trevor Royle Charles Spencer and Blair Worden At the beginning of 1645 whilst the infamous Oliver Cromwell was serving as a subordinate officer Sir William Waller had been leading Parliamentary troops for two years So who was this Parliamentary leader most people have never heard of John Adair's highly acclaimed biography explores the life of this remarkable figure who has too often been neglected by historians of the English Civil War Although Waller had been knighted by King Charles I in 1622 and had many friends on the Royalist side deeply held religious and political beliefs led him to reluctantly side with the Parliamentary forces Within a short period he had proved his worth and rose to become a commander of a Parliamentary army notably halting the King's offensive into southern England at the battle of Cheriton Yet beset with a shortage of money and mutinous forces Waller notified Parliament that it would struggle to succeed over the King's forces unless it implemented military reforms paving the way for Fairfax and Cromwell's New Model Army This book uncovers the campaigns and battles which Waller fought on behalf of Parliament and explains how without his leadership the King might have been able to threaten Parliament held London Adair draws upon a wide array of contemporary sources to provide insight into the life of this overlooked figure and reveals how Waller stayed true to his principles through the turbulent years of the war and its aftermath clashing with the rising power of Cromwell and his supporters being expelled from Parliament during Pride's Purge imprisoned and finally giving his support to the Restoration in 1660 strongly recommended Dr Ian Roy Outstanding a great pleasure to read Dr John Wroughton Roundhead General The Campaigns of Sir William Waller should be essential reading for anyone interested in the history of English Civil War

Roundhead General: a Military Biography of Sir William Waller John Eric Adair, 1969 *The English Civil War* Peter Gaunt, 2014-05-09 Sir God hath taken away your eldest son by a cannon shot It brake his leg We were necessitated to have it cut off whereof he died In one of the most famous and moving letters of the Civil War Oliver Cromwell told his brother in law that on 2 July 1644 Parliament had won an emphatic victory over a Royalist army commanded by King Charles I's nephew Prince Rupert on rolling moorland west of York But that battle Marston Moor had also slain his own nephew the recipient's firstborn In this vividly narrated history of the deadly conflict that engulfed the nation during the 1640s Peter Gaunt shows that with the exception of World War I the death rate was higher than any other contest in which Britain has participated Numerous towns and villages were garrisoned attacked damaged or wrecked The landscape was profoundly altered Yet amidst all the blood and killing the fighting was also a catalyst for profound social change and innovation Charting major battles raids and engagements the author uses rich contemporary accounts to explore the life changing experience of war for those involved whether musketeers at Cheriton dragoons at Edgehill or Cromwell's disciplined Ironsides at Naseby 1645

The English Civil War Nick Lipscombe, 2020-09-17 The English Civil War is a joy to behold a thing of beauty this will be the civil war atlas against which all others will be judged and the battle maps in particular will quickly become the benchmark for all future civil war maps Professor Martyn Bennett Department of History Languages and Global Studies Nottingham Trent University The English Civil Wars 1638-51 comprised the deadliest conflict ever fought on British soil in which brother took up arms against brother father fought against son and towns cities and villages fortified themselves in the cause of Royalists or Parliamentarians Although much historical attention has focused on the events in England and the key battles of Edgehill Marston Moor and Naseby this was a conflict that engulfed the entirety of the Three Kingdoms and led to a trial and execution that profoundly shaped the British monarchy and Parliament This beautifully presented atlas tells the whole story of Britain's revolutionary civil war from the earliest skirmishes of the Bishops Wars in 1639-40 through to 1651 when Charles II's defeat at Worcester crushed the Royalist cause leading to a decade of Stuart exile Each map is supported by a detailed text providing a complete explanation of the complex and fluctuating conflict that ultimately meant that the Crown would always be answerable to Parliament *A Brief Guide To British Battlefields* David Clark, 2015-02-26 A very readable work of reference offering a survey in chronological order from AD 84 to 1746 of the major battles which have taken place on British soil from the Roman occupation to Culloden the last battle fought on British soil In this way the book can be read as a continuous narrative while each entry also stands alone as a self-contained guide The battles are grouped into relevant sections such as the Wars of the Roses the English Civil Wars and the Jacobite Rebellions within broader historical periods Each period is prefaced by a presentation of the nature of warfare and is enhanced by a feature article of specialist interest Every entry includes a narrative of events leading up to the battle a vivid description of the battle itself and an assessment of the long and short term consequences In addition there is useful information for visits including precise identification of the

location details of access to and features of each site The book is illustrated throughout with maps and a plate section **A Compendium of World Sovereigns: Volume III Early Modern** Timothy Venning, 2023-06-30 The Compendium of World Sovereigns series contains three volumes Ancient Medieval and Early Modern These volumes provide students with easy to access who's who with details on the identities and dates ages and wives where known of heads of government in any given state at any time within the framework of reference The relevant original and secondary sources are also listed in a comprehensive bibliography Providing a clear reference guide for students to who was who and when they ruled in the dynasties and other ruler lists for the Ancient Medieval and Early Modern worlds primarily European and Middle Eastern but including available information on Africa and Asia and the pre Columbian Americas The trilogy accesses and interprets the original data plus any modern controversies and disputes over names and dating reflecting on the shifts and widening of focus in student and academic studies Each volume contains league tables of rulers records and an extensive bibliographical guide to the relevant personnel and dynasties plus any controversies so readers can consult these for extra details and know exactly where to go for which information All relevant information is collected and provided as a one stop shop for students wishing to check the known information about a world Sovereign The Early Modern volume begins with Eastern and Western Europe and moves through the Ottoman Empire South and East Asia Africa and ends in Central and South America

Compendium of World Sovereigns Volume III Early Modern provides students and scholars with the perfect reference guide to support their studies and to fact check dates people and places *Road to Civil War, 1625-1642* Timothy Venning, 2024-01-18 A revisionist history showing a gradual build up of opposition and a drift to conflict which few expected or wanted And this was despite growing Stuart absolutism threats to Parliament and the accepted civil order and religious controversy It is forensic study full of fascinating and even unexpected details principal actors come to life and readers will feel involved in an existential crisis of the British state's The study of the three Kingdoms covers the major themes of religious dispute with Laud Wentworth and Strafford towering figures church reform godly religions and explosion of news and pamphlets the King and Lords and Commons the Queen's often suspect influence King Charles absolutism and rigidity and iconic events like the Grand Remonstrance arrest of the Five Members Charles departure from London and the raising of the Royal Standard for war *World Military Leaders* Mark Grossman, 2007 Articles profiling important military leaders are arranged in A to Z format **Steel Lobsters** Myke Cole, 2024-11-07 A dramatic history of the Steel Lobsters Sir Arthur Hesilrige's Regiment of Horse in the English Civil War the last fully armoured knights in England The 17th century battlefield ushered in a new era with formed musketeers and pistol wielding cavalry gradually taking over from the knights and men at arms that had dominated the European battlefield Based on a detailed study of the primary sources Steel Lobsters tells the story of this transition through the history of the last fully armoured knights in England Myke Cole an award winning novelist historian and veteran examines the life and times of Sir Arthur Hesilrige and his Regiment of Horse known as the Lobsters as

they were encased in plate armour Steel Lobsters covers the full history of England's last knights from the seeds of their creation in Hesilrige's experience as a young cavalry officer to their final defeat at Roundway Down in July 1643 and the decision to abandon their armour It provides lavish detail on arms armour and tactics but also covers the human story of Sir Arthur Hesilrige the men who served under him and even those who opposed him The story of this amazing unit is the story of the end of super heavy cavalry and this book delves into how wars were fought in the 17th century the personalities politics and even spiritual beliefs of the combatants how they fought and why they ultimately lost **Thomas Fuller** W. B. Patterson, 2018-02-02 Long considered a highly distinctive English writer Thomas Fuller 1608 1661 has not been treated as the significant historian he was Fuller's The Church History of Britain 1655 was the first comprehensive history of Christianity from antiquity to the upheavals of the Protestant and Catholic Reformations and the tumultuous events of the English civil wars His numerous publications outside the genre of history sermons meditations pamphlets on current thought and events reflected and helped to shape public opinion during the revolutionary era in which he lived Thomas Fuller Discovering England's Religious Past highlights the fact that Fuller was a major contributor to the flowering of historical writing in early modern England W B Patterson provides both a biography of Thomas Fuller's life and career in the midst of the most wrenching changes his country had ever experienced and a critical account of the origins growth and achievements of a new kind of history in England a process to which he made a significant and original contribution The volume begins with a substantial introduction dealing with memory uses of the past and the new history of England in the late sixteenth and early seventeenth centuries Fuller was moved by the changes in Church and state that came during the civil wars that led to the trial and execution of King Charles I and to the Interregnum that followed He sought to revive the memory of the English past recalling the successes and failures of both distant and recent events The book illuminates Fuller's focus on history as a means of understanding the present as well as the past and on religion and its important place in English culture and society

A Military History of the English Civil War Malcolm Wanklyn, Frank Jones, 2014-07-10 A Military History of the English Civil War examines how the civil war was won who fought for whom and why it ended With a straightforward style and clear chronology that enables readers to make their own judgements and pursue their own interests further this original history provides a thorough critique of the reasons that have been cited for Parliament's victory and the King's defeat in 1645 46 It discusses the strategic options of the Parliamentary and Royalist commanders and councils of war and analyses the decisions they made arguing that the King's faulty command structure was more responsible for his defeat than Sir Thomas Fairfax's strategic flair It also argues that the way that resources were used rather than the resources themselves explain why the war ended when it did **British History** James P. Stobaugh, 2012 Respected Christian educator Dr James Stobaugh offers an entire year of high school British history curriculum in an easy to teach and comprehensive volume British History Observations Assessments from Early Cultures to Today employs clear objectives and challenging

assignments for the eleventh grade student without revisionist or anti Christian perspectives From before the Anglo Saxon invasions to the end of an empire British history trends philosophies and events are thoroughly explored The following components are covered for the student Critical thinking Examinations of historical theories terms and concepts History makers who changed the course of Britain s history Overviews and insights into world views Students will complete this course knowing the rise of the British empire that influenced nearly every corner of the earth **Parliament's Generals**

Malcolm Wanklyn,2019-05-30 The author of *The Warrior Generals* examines the machinations of the Parliamentary military leadership during the English Civil War Waller Essex Fairfax Manchester and Cromwell are among the most famous military men who fought for Parliament during the English Civil War While their performance as generals has been explored in numerous books on the campaigns comparatively little has been written by military historians about the political aspects of high command namely the ever changing and often fractious relationship with the English Parliament and its executive committees With this book Malcolm Wanklyn sheds light on the qualities these men employed in their attempts to achieve their military and political aspirations In a series of insightful chapters he follows their careers through the course of the conflict focusing on their successes and failures in battle and the consequences for their reputations and influence The author examines dissatisfaction with the leadership of Essex Manchester and Waller in the inconclusive early campaigns as well as the contrasting strengths of Fairfax and Cromwell This reassessment demonstrates how these commanders managed promotions outmaneuvered their fellow generals and controlled their subordinates *The Complete Soldier* David R.

Lawrence,2009 The period 1603 1645 witnessed the publication of more than ninety books manuals and broadsheets dedicated to educating Englishmen in the military arts Written with the intention of creating the a oecomplete soldiara this didactic literature provided gentlemen with the requisite knowledge to engage in infantry cavalry and siege warfare Drawing on military history and book history this is the first detailed study of the impact of military books on military practice in Jacobean and Caroline England Putting military books firmly in the hands of soldiers this work examines the circles that purchased and debated new titles the veterans who authored them and their influence on military thought and training in the years leading up to the English Civil War *An Unofficial Alliance, Scotland and Sweden 1569-1654* Alexia

Grosjean,2003-08-01 This work reveals the hitherto unrepresented relationship that developed between Scotland and Sweden during the second half of the sixteenth and first half of the seventeenth centuries Sweden s emergence as an independent Nordic and indeed European power required continual military and economic growth which in turn necessitated a constant supply of manpower The initially piecemeal migration of private individuals from Scotland bringing both martial and mercantile skills to Sweden gradually grew into an informal alliance albeit officially sanctioned by the Swedes based on personal networks Equally the impact of Sweden s support for the Scottish Covenanting movement on British state formation is scrutinized This fresh perspective on Scottish Swedish connections is aimed at those interested in state formation

migration studies diplomatic developments and military history **London and the Civil War** Stephen Porter, 2015-12-31

The book has a freshness of viewpoint which makes most enjoyable reading Joan Thirsk As the country's largest city the focus of its trade and cultural life and the possessor of sizeable militia forces and the national capital London's influence on the country's history has always been very important In particular its adherence to the parliamentary cause was crucial to the outcome of the first Civil War and its aloofness from the second Civil War was no less significant The essays in this volume examine the background to its choice of allegiance the way in which it was secured for the parliamentary cause in 1642 its contribution to the war effort the royalists' reaction to its recalcitrance the impact of the war upon the capital and its importance as the centre of politically inspired ceremonial Colonel Joseph Bampfield's Apology Joseph Bampfield, 1993

This book consists of two parts of approximately equal length Colonel Joseph Bampfield's Apology 1685 edited by John Loftis and Paul H Hardacre and a biographical account Bampfield's Later Career by John Loftis Bampfield's Apology provides an account of the author's war service and his subsequent service to Charles I as a courier and agent in the period of frustrated negotiations that led to the second civil war and the execution of the king Bampfield describes Charles's negotiations with parliament with the army with commissioners representing the Scots and he describes the attempt by the king and leaders of Parliament to reach agreement in the Treaty of Newport before Cromwell's army returned from the north after defeating the Scottish army Although the narrative is partisan it is except in rare instances factually accurate Bampfield prints ten letters written to him by the king not published elsewhere for which there is convincing external as well as internal evidence of authenticity As long ago as 1894 C H Firth wrote that Bampfield's biographical Apology published at The Hague in 1685 is a book of the utmost rarity and deserves reprinting Yet the Apology has never before been reprinted presumably because of Bampfield's reputation as a spy for the protectorate The Apology is primarily a memoir of the reign of Charles I Bampfield twenty six at the time of the king's death lived many more years many of them years of vigorous and varied activities These years are recounted in the second half of this volume Bampfield's Later Career The biographical record provided by the Apology and corroborated by the Memoirs of Anne Lady Halkett can be supplemented by Bampfield's voluminous correspondence published and unpublished in both French and English Bampfield wrote most of the letters as intelligence reports Though they include only incidental references to his personal activities cumulatively they provide a detailed account of his life and an informed commentary on national and international affairs as well

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The English Civil War* Charles J Esdaile, 2024-08-30

Cavaliers and Roundheads are figures who appear in hundreds of English ghost stories In this innovative account Charles Esdaile argues that such tales are in reality folk memories of an episode of English history that was second only to the Black Death in terms of individual and collective suffering alike and further that they reveal important truths about the way in which the conflict was represented it is no surprise then to find that spectral Cavaliers are often romantic figures and

revenant Roundheads grim ones full of menace Yet the book is no mere catalogue On the contrary rather than being discussed in a vacuum the tales of haunting are rather set within a detailed regional history of the conflicts of 1642 1651 of a sort that has never yet been attempted but is for all that badly needed

Thank you totally much for downloading **Sir William Waller The Campaigns Of A Roundhead General**. Most likely you have knowledge that, people have look numerous times for their favorite books later than this Sir William Waller The Campaigns Of A Roundhead General, but end taking place in harmful downloads.

Rather than enjoying a fine ebook next a cup of coffee in the afternoon, on the other hand they juggled in the manner of some harmful virus inside their computer. **Sir William Waller The Campaigns Of A Roundhead General** is comprehensible in our digital library an online access to it is set as public consequently you can download it instantly. Our digital library saves in complex countries, allowing you to get the most less latency times to download any of our books considering this one. Merely said, the Sir William Waller The Campaigns Of A Roundhead General is universally compatible with any devices to read.
