Frankincense & Myrrh Martin Watt,Wanda Sellar,2012-05-31 The story of frankincense and myrrh runs in tandem with man's evolution Their use in so many varied ways has accompanied man and woman through the uncertain and often stormy path of life Once

prized as highly as gold frankincense and myrrh's use in perfumery suggested an exclusivity as do the celebrated perfumes of today But they offered much more than mere aesthetic delight At times they were a life line to spiritual and physical health and well being Over many centuries the use of frankincense and myrrh pervaded a wide range of societies and religions The caravan trails for this valuable cargo have disappeared but these aromatics continue to be valuable commodities both in the East as well as in the West Frankincense and Myrrh continue to excite the imagination and are probably the most famous aromatics of all time Their appeal and magic will never die and this book explains why    **Growing Point** ,1981    Images

*Temple and the Grail* W. F. Veltman,2021-06-04 In the popular imagination the Holy Grail part of the legendary romance of King Arthur belongs to the realm of myth The Knights Templar also have a legendary enigmatic aspect Despite the immense volume of historical research available plausible explanations to the mystery at the core of their practices have yet to be revealed By studying these two themes side by side and showing their inner relationship Veltman reveals valuable new perspectives On the one hand he demonstrates that the poetic imagination of the Grail mystery has its origin in concrete historical events and on the other hand that the true history of the Knights Templar is essentially esoteric Combining historical research with insights gained from the work of Rudolf Steiner Veltman presents an impressive survey of the subject beginning with the pre Christian Mysteries and ending with a vision of Michaelic Christianity He analyses the significance of the holy city of Jerusalem the Temple of Solomon the Temple Legend the Grail Temple the Rosicrucians the Templars gold and the fraught question of evil In addition he sketches the continuation or metamorphosis of the Grail and Temple impulses into the future including the critical balancing role of Europe between East and West To become effective this important European task which he says is continually being thwarted must be properly understood within the realm of human consciousness
