Sister With Other

Michael Brown

Sister With Other:

The Role of Sisters in Women's Development Sue A. Kuba, 2011-04 Psychological theory has traditionally overlooked or minimized the role of siblings in development focusing instead on parent child attachment relationships The importance of sisters has been even more marginalized Sue A Kuba explores this omission in *The Role of Sisters in Women's Development* seeking to broaden and enrich current understanding of the psychology of women This unique work is distinguished by Kuba's phenomenological method of research rooted in a single prompt Tell me about your relationship with your sister Rich in detail the responses many of which are reproduced at length within the book provide a complex picture of sister relationships across the lifespan Integrating these stories with current literature about gender and family composition for sisters of difference disabled and lesbian sisters and ethnic sisters this book provides useful recommendations for therapeutic understanding of the significance of sisters in everyday life integrating diverse perspectives in order to address the ways clinicians can enhance psychological work with women clients A valuable contribution to the field of mental health *The Role of Sisters in Women's Development* is highly recommended for therapists who wish to broaden their inquiry into the sister connection as well as anyone who wants to further understand the importance of sisterhood *My Sister and Other Lovers*

Esther Freud, 2025-08-05 A stirring novel from the author of *I Couldn't Love You More* and *Hideous Kinky* the story of two sisters who couldn't be more different and the great love that holds them together throughout a tumultuous youth For as long as Lucy can remember she's been caught between love for her rootless mother and devotion to her fierce and exacting sister Bea From their peripatetic childhood to their restless teenage years hitching through rural Ireland the move to a communal house she's been forced to make a choice between these two very different ways of approaching life But as the girls come of age and embark on their own experiments in love drugs work motherhood Bea is at risk of drifting further and further away Can their loyalty to each other transcend the damages of a past that feels almost too dangerous to examine With scalpel sharp insight Esther Freud excavates the most intimate relationships of our lives laying bare the fear and longing the secrets and mistrust *My Sister and Other Lovers* is an irresistible exploration of love family and freedom in all its forms
