Sisters, Seeds, and Cedars Fountain, Sarah M., History consists mainly of the milestones the turning points of time What are often lost in the fray are the details Thankfully for those who have a hunger for history books like Sisters Seeds and Cedars exist to fill in some of the gaps of history The book contains letters from two sisters Cornelia and Clara Originally from Alabama Clara moves on to Arkansas while Cornelia stays where her roots are Clara eventually puts down roots of her own and the sisters continue to converse through letter writing for their entire lives The letters span the generations and provide insight into everyday life between 1850 1928 Without them it might not be known that a dewlarkie is most likely a slang word of the period for a beau The letters also provide details of the effects of the Civil War on the citizens of the South As the sisters recover from the war they must adjust to their new lives filled with carpetbaggers and sharecroppers While it may be impossible to know all the details of history letters that have survived and have been preserved in a book like Sisters Seeds Cedars paint a more complete picture of events that have shaped the world and families alike Sarah Moseley Fountain is a native Arkansan dedicated to Arkansas literature history and culture She lives in Conway Arkansas *The Historical Report of the Arkansas Secretary of State 2008* Charlie Daniels,2009-07-01 Arkansas Secretary of State Charlie Daniels is proud to present the 2008 edition of the Arkansas Historical Report Published just once each decade by order of the General Assembly this ready reference is a unique compendium of appointed and elected officials over the state s colonial and territorial periods as well as its 172 year history Its comprehensive listings of county state and federal officials make it a must have for historians journalists genealogists and other researchers The 2008 edition also features essays by C Fred Williams Jay Barth David Ware Ann Early and George Sabo III that provide insight into the state s history politics and Native American cultures This new edition of the Historical Report includes for the first time an alphabetical index of state legislators It also features a variety of historical photographs and has been substantially redesigned to create a more user friendly reference tool **Arkansas and the New South, 1874-1929** Carl Moneyhon,1997-10-01 This study is the first published in the Histories of Arkansas a new series that will build a complete chronological history of the state from the colonial period through modern times Under the general editorship of noted historian Elliott West this series will include various thematic histories as well as the chronologically arranged core volumes In Arkansas and the New South 1874 1929 Carl Moneyhon examines the struggle of Arkansas s people to enter the economic and social mainstreams of the nation in the years from the end of Reconstruction to the beginning of the Great Depression Economic changes brought about by development of the timber industry exploitation of the rich coal fields in the western part of the state discovery of petroleum and building of manufacturing industries transformed social institutions and fostered a demographic shift from rural to urban settings Arkansans were notably successful in bringing the New South to their state relying on individual enterprise and

activist government as they integrated more fully into the national economy and society But by 1929 persistent problems in the still dominant agricultural sector the onset of the depression and heightening social tensions arrested progress and dealt the state a major economic setback that would only be overcome in the years following World War II Expanding upon scholarly articles that merely touch on this era in Arkansas history and delving into pertinent primary sources Moneyhon offers not only an overall look at the state but also an explanation for the singular path it took during these momentous years

"All Cut to Pieces and Gone to Hell" Mark K. Christ, 2003 Dogwood trees were in full bloom as Union General Frederick Steele led 8 500 soldiers out of comfortable quarters in Little Rock and into the pine and scrub woodlands of southwest Arkansas Steele's intended target was Shreveport Louisiana He planned to join another Union force coming from Fort Smith bringing his projected complement to 12 500 troops and then link with another Federal army in Louisiana

Civil War Arkansas Anne Bailey, 2000-07-01 This collection of essays represents the best recent history written on Civil War activity in Arkansas It illuminates the complexity of such issues as guerrilla warfare Union army policies and the struggles between white and black civilians and soldiers and also shows that the war years were a time of great change and personal conflict for the citizens of the state despite the absence of great battles or armies All the essays which have been previously published in scholarly journals have been revised to reflect recent scholarship in the field Each selection explores a military or social dimension of the war that has been largely ignored or which is unique to the war in Arkansas gristmill destruction military farm colonies nitre mining operations mountain clan skirmishes federal plantation experiments and racial atrocities and reprisals Together the essays provoke thought on the character and cost of the war away from the great battlefields and suggest the pervasive change wrought by its destructiveness In the cogent introduction Daniel E Sutherland and Anne J Bailey set the historiographic record of the Civil War in Arkansas tracing a line from the first writings through later publications to our current understanding As a volume in The Civil War in the West series Civil War Arkansas elucidates little known but significant aspects of the war encouraging new perspectives on them and focusing on the less studied western theater As such it will inform and challenge both students and teachers of the American Civil War

Black Flag Over Dixie Gregory J. W. Urwin, 2005-08-29 Black Flag over Dixie Racial Atrocities and Reprisals in the Civil War highlights the central role that race played in the Civil War by examining some of the ugliest incidents that played out on its battlefields Challenging the American public's perception of the Civil War as a chivalrous family quarrel twelve rising and prominent historians show the conflict to be a wrenching social revolution whose bloody excesses were exacerbated by racial hatred Edited by Gregory J W Urwin this compelling volume focuses on the tendency of Confederate troops to murder black Union soldiers and runaway slaves and divulges the details of black retaliation and the resulting cycle of fear and violence that poisoned race relations during Reconstruction In a powerful introduction to the collection Urwin reminds readers that the Civil War was both a social and a racial revolution As the heirs and defenders of a slave society's ideology Confederates

considered African Americans to be savages who were incapable of waging war in a civilized fashion Ironically this conviction caused white Southerners to behave savagely themselves Under the threat of Union retaliation the Confederate government backed away from failing to treat the white officers and black enlisted men of the United States Colored Troops as legitimate combatants Nevertheless many rebel commands adopted a no prisoners policy in the field When the Union's black defenders responded in kind the Civil War descended to a level of inhumanity that most Americans prefer to forget In addition to covering the war's most notorious massacres at Olustee Fort Pillow Poison Spring and the Crater Black Flag over Dixie examines the responses of Union soldiers and politicians to these disturbing and unpleasant events as well as the military legal and moral considerations that sometimes deterred Confederates from killing all black Federals who fell into their hands Twenty photographs and a map of massacre and reprisal sites accompany the volume The contributors are Gregory J W Urwin Anne J Bailey Howard C Westwood James G Hollandsworth Jr David J Coles Albert Castel Derek W Frisby Weymouth T Jordan Jr Gerald W Thomas Bryce A Suderow Chad L Williams and Mark Grimsley

Theater of a Separate War Thomas W. Cutrer, 2023-04-04 Though its most famous battles were waged in the East at Antietam Gettysburg and throughout Virginia the Civil War was clearly a conflict that raged across a continent From cotton rich Texas and the fields of Kansas through Indian Territory and into the high desert of New Mexico the Trans Mississippi Theater was site of major clashes from the war's earliest days through the surrenders of Confederate generals Edmund Kirby Smith and Stand Waite in June 1865 In this comprehensive military history of the war west of the Mississippi River Thomas W Cutrer shows that the theater's distance from events in the East does not diminish its importance to the unfolding of the larger struggle

burial making a wooden coffin digging the grave and overseeing the burial ceremony as well as observing a wide variety of customs and superstitions These traditions especially in rural communities remained the norm up through the end of World War II after which a variety of factors primarily the loss of manpower and the rise of the funeral industry brought about the end of most customs Gone to the Grave a meticulous autopsy of this now vanished way of life and death documents mourning and practical rituals through interviews diaries and reminiscences obituaries and a wide variety of other sources Abby Burnett covers attempts to stave off death passings that for various reasons could not be mourned according to tradition factors contributing to high maternal and infant mortality and the ways in which loss was expressed through obituaries and epitaphs A concluding chapter examines early undertaking practices and the many angles funeral industry professionals worked to convince the public of the need for their services
