Southerners football is as essential as air conditioning The irreplaceable Voice of the Volunteers on radio during the 1950 s

and yes loud and frenzied They are very proud of their rich football heritage And they are very proud of their schools their
teams and the deep pride that goes with being from the South Late legendary college football commenter Keith Jackson in
describing the SEC Football experience once aptly stated that there are few instances of alleged entertainment and
relaxation that can match a college football game in stirring the deepest flames of partisanship and outright provincialism
And down South you can color that partisanship passionate Southeastern Conference Football is the paragon of the college

words to their school s fight song It is for the people who wake up early on Sunday morning after a win so they can read each
and every one of the sports columns about the game they witnessed the day before It is for all those who enjoy good company
and good food in the parking lot before the game as much and if not more than the food and company at a fancy restaurant
These things that we hold dear all true SEC fans know and love and look forward to each autumn It s that time of year when
the heated summer temperatures begin to fade and yield to colder days when the leaves begin to change color and when the
