The Colorado Labor Wars: Cripple Creek 1903-1904, A Centennial Commemoration ,2006 **Six Thousand Truckers**

Can't Be Wrong Daniel Tutty,2006-02 The engaging societal expos Six Thousand Truckers Can t be Wrong traces the five thousand year history of prostitution from its original lofty status to its present state In ancient Greece prostitutes were temple priestesses In the early United States prostitutes were nurses social workers and community leaders They also represented a semblance of culture and refinement in the rough towns of the Wild West Today streetwalkers are victims of the most heinous and brutal forms of violence and discrimination By examining the brothel type of prostitution in Nevada where this profession has successfully and continuously operated legally for over one hundred fifty years Dr Tutty reveals the truth about prostitution as experienced by the women and men who practice the world s oldest profession Dr Tutty argues that the model of bordello prostitution in Nevada could be implemented around the country to Lower the incidence of violent crimes against women Reduce the incidence of sexually transmitted disease and AIDS Improve the overall image of a community as a result of the lowered number of visible prostitutes Increase tax based revenue that could then be used to support school road repair or other community projects Six Thousand Truckers Can t Be Wrong represents an honest and compelling argument touting the potential benefits that can be achieved from this often stigmatized practice **The Rise of**
