Emblemata Hispanica Pedro F. Campa, 1990 Emblem books books containing pictorial representations whose symbolic meaning is expressed in words were produced in great quantities and in numerous languages during the sixteenth and seventeenth centuries Because literary critics and art historians increasingly recognize the importance of the emblem in Renaissance and Baroque studies this book answers the need for a bibliography listing the locations of all known emblem books in Spanish as well as those translated into Spanish written by Spaniards in other languages and polyglot editions that contain a Spanish text Covered in this bibliography are all emblem books published from the beginning to the end of the Spanish Golden Age as well as a wide range of secondary sources on relevant subjects among them mythography paradoxography numismatics fetes funerals proverbs apothegms antiquarianism collecting and pertinent studies in art history and architecture Providing call numbers for library locations information on facsimile reprints and microform editions the work is extensively indexed by date and place of publication by printers and booksellers by authors and artists and by dedicatees as well as by subject

Music Printing in Renaissance Venice Jane A. Bernstein, 1998-10-29 Venetian music print culture of the mid sixteenth century is presented here through a study of the Scotto press one of the foremost dynastic music publishers of the Renaissance For over a century the house of Scotto played a pivotal role in the international book trade publishing in a variety of fields including philosophy medicine religion and music This book examines the mercantile activities of the firm through both a historical study which illuminates the wide world of the Venetian music printing industry

and a catalog which details the music editions brought out by the firm during its most productive period A valuable reference work this book not only enhances our understanding of the socioeconomic and cultural history of Renaissance Venice it also helps to preserve our knowledge of a vast musical repertory

Printing and Reading Italian Latin Humanism in Renaissance Europe (ca. 1470-ca. 1540) Alejandro Coroleu,2014-06-02 With the advent of the printing press throughout Europe in the last quarter of the fifteenth century the key Latin texts of Italian humanism began to be published outside Italy most of them by a small group of printers who in most cases worked in close collaboration with lecturers and teachers This study provides the first comprehensive account of the dissemination of this important literary corpus in Spain France the Low Countries and the German speaking world between ca 1470 and ca 1540 By combining an examination of book production and consumption with attention to the educational system of Renaissance Europe this book highlights both the historical significance of the Latin literature of Italian humanism within the school and university curriculum of the time and the impact of such a body of texts on the rising national literary traditions in Latin and in the vernacular of the period Printing and Reading Italian Latin Humanism in Renaissance Europe will appeal to scholars of classical and Renaissance literature and to anyone interested in intellectual history and in the history of education in the Renaissance It will be of particular interest to scholars in Hispanic studies
