**Sixty Upaniṣads of the Veda** Paul Deussen,1980-01-01      **Sixty Upanishads of the Veda** Paul Deussen,1997-09-01

*Upanisads* ,2008-04-17 The Upanisads are the central scriptures of Hinduism representing some of the most important literary products in the history of Indian culture and religion This is the first major English translation of the ancient Upanisads for over 50 years its up to date introduction and detailed notes make the edition ideal for non specialists as well as students of Indian religions

**A Comparative History of World Philosophy** Ben-Ami Scharfstein,1998-01-01 Breaks through the cultural barriers between Western Indian and Chinese philosophy and demonstrates that despite considerable differences between these three great philosophical traditions there are fundamental resemblances in their abstract principles

*An Introduction to Swaminarayan Hindu Theology* Swami Paramtattvadas,2017-08-17 Since its inception over two hundred years ago Swaminarayan Hinduism has flourished into a transnational movement described as one of the fastest growing Hindu groups in the world Despite being one of the largest and most visible Hindu traditions both in India and the West surprisingly little is known about what the Swaminarayan fellowship believes An Introduction to Swaminarayan Hindu Theology provides a comprehensive doctrinal account of the Swaminarayan tradition s belief system drawing on its rich corpus of theological literature including the teachings of Swaminarayan himself and classical commentaries on canonical Ved ntic texts Part I delineates the sources and tools of Swaminarayan Hindu theology while Part II systematically expounds upon its distinctive five eternal entities Parabrahman Ak arabrahman m y vara and j va and mukti spiritual liberation In presenting these key themes theologically and lucidly Swami Paramtattvadas makes the Swaminarayan Hindu belief system intelligible to scholars students and serious readers

**Respiration and Emotion** Y. Haruki,I. Homma,A. Umezawa,Y. Masaoka,2011-06-28 Gasps sighs and yawns are recognized by even a casual observer as involuntary expressions of emotion through the medium of respiration In recent years scientific observation has focused on sensation and behavior as researchers investigate the relation of emotion and stress in disorders such as asthma hyperventilation and panic disorder Until now however the interplay of psychological factors and physiological responses has not been approached from the interdisciplinary perspective reported in this book Brought together here is the work of physiologists psychologists and researchers in behavioral medicine together with for the first time specialists and practitioners of traditional Japanese arts and culture Knowledge of the art and control of breathing which are essential features of such disciplines as Zen and Noh opens a new and until now unexplored path for scientists seeking to understand the relation between respiration and emotion

**Dedicated to the Soul** Emma Jung,2025-01-14 A richly illustrated collection of never before seen writings and drawings from the notebooks portfolios and personal papers of C G Jung s wife and collaborator Emma Jung 1882 1955 was the life and work partner of one of the great intellectual figures of the twentieth century yet she kept most of her creative and personal life private Dedicated to the Soul brings together previously unpublished materials from Jung s private archive introducing

her voice into the literature of the early psychoanalytical movement and revealing a vibrant inner life and a glowing presence that until now was known only to her family and a handful of patients students and friends This fully annotated collection features journal entries dream accounts drawings paintings and lectures It sheds new light on Jung as an early collaborator in the creation of analytical psychology who may have originated the concept of the animus one of C G Jung s central constructs It paints a riveting portrait of a dynamic woman who determined to break free of the conventional world of her upbringing fearlessly interrogated her social environment and developed her own systems of meaning With introductory essays that chart Jung s personal intellectual and psychological development Dedicated to the Soul brings the creative work of this boldly imaginative and irreverent spirit to a wider audience and offers new perspectives on the role of women in the early history of analytical psychology

**Rapt in the Name** Ramdas Lamb,2012-02-01 In Rapt in the Name Ramdas Lamb provides an intriguing account of the Ram bhakti tradition in India Less well known in the West than the tradition of devotion to Krishna the Ram tradition is an important component of Hinduism Ram is the most worshipped form of the divine in North India today and has long been particularly important to those of the lower castes throughout India Lamb explores both the evolution of the tradition and the rise of lower caste religious movements devoted to Ram specifically the Ramnami Samaj an Untouchable religious movement in Central India Lamb s study of the Ramnamis has spanned nearly three decades first on a personal level as a Hindu monk and later as both a friend and a researcher He discusses the historical origins as well as present day forms and structure of the Samaj including a description of its distinctive ritual dress and practices Among the more innovative aspects of the sect is its adaptation of the story of Lord Ram that is uniquely woven into its devotional repetition of his name Ramnam In addition Lamb shares biographical sketches of six Ramnamis each of which reveals the freedom of individual exploration and expression that is integral to the sect This is a fascinating account of religious life and adaptation on the periphery of society

**Nurturing Child and Adolescent Spirituality** Karen-Marie Yust,2006 Nurturing Child and Adolescent Spirituality Perspectives from the World s Religious Traditions provides a forum for prominent religious scholars to examine the state of religious knowledge and theological reflection on spiritual development in childhood and adolescence Featuring essays from thinkers representing the world s major religious traditions the book introduces new voices challenges assumptions raises new questions and broadens the base of knowledge and investment in this important domain of life It specifically and intentionally focuses on theological and philosophical perspectives from within religious traditions creating space for the religious traditions to find their voices Nurturing Child and Adolescent Spirituality is firmly grounded in the language and priorities of religious studies and helps stimulate explorations of whether and how religious communities are tapping their own wisdom and strengths in nurturing today s young people in a complex and changing world Nurturing Child and Adolescent Spirituality will set the stage for new waves of scholarship and dialogue within and across traditions disciplines and cultures that will enrich understanding and strengthen how the world s religious traditions and

others understand and cultivate the spiritual lives of children and adolescents around the globe      **Yoga in Practice** David Gordon White,2012 An anthology of primary texts drawn from the diverse yoga traditions of India greater Asia and the West Focuses on the lived experiences in the many world of yoga      *The History of Experience* Wolfgang Leidhold,2022-10-14 In a wide arc from the Paleolithic to the present day this book explores the changing structure of human experience and its impact on the dynamics of cultures civilizations and political ideas The main thesis is a paradigm shift the structure of human experience is not a universal constant but changes over time Looking at the entire range of human history there are a total of nine transformations beginning with conscious perception and imagination in the Paleolithic and ending for the time being in modern times with the discovery of the unconscious In between this book explores six more transformations that took place in different regions and at different times which include a sense of order self reflection the eye of reason spiritual experience as well as the experience of creativity and of consciousness As such The History of Experience presents both a cross cultural and comparative theory of experience and cultural dynamics and an exploration of rich materials from East and West This book is of great use to upper level undergraduates postgraduates and scholars interested in the relationship between history human experience culture and political order      **Guide to Indian Periodical Literature** ,1987      *The ^A Classical Upaniṣads* Signe Cohen,2024-01-26 The Upani ads are rich and complex Sanskrit Hindu scriptures dating back to the 8th century BCE and are a staple of world religion courses across the globe Where most survey textbooks present a cursory overview of these texts Signe Cohen provides a nuanced but accessible exploration of the thirteen Classical Upani ads that will benefit both scholars students and general readers alike      **The Body of God** D Dennis Hudson,2008-09-25 Although Hudson died without completing The Body of God the work has been edited and brought to fruition by Margaret Case The book is a detailed study of a renowned Tamil Hindu temple the Vaikuntha Perumal ca 770 CE Hudson uses this temple as an illustration of a major current and historical stage in South Indian Vaisnava religion      [A History of Indian Literature: Introduction, Veda, epics, Purāṇas and Tantras](#) Moriz Winternitz,1996      **Jewels of Authority** Laurie Patton,2002-05-02 The essays in this volume seek to introduce a level of theoretical analysis by means of close readings of situations in which women are given or denied authority in ritual and interpretive contexts This approach encompasses not only how women are represented but also particular strategies of debate about women how women are depicted as negotiating certain kinds of authority and how women might resist traditional authority in specific colonial and post colonial situations      [Annals of the Bhandarkar Oriental Research Institute, Poona](#) ,1929      **Indian Books in Print** ,2003      **Samkara's Advaita Vedanta** Jacqueline G. Suthren Hirst,2005-03-31 Examines Samkara s teaching method and asks how the words of the sacred texts can give knowledge of a reality beyond words Provides a detailed introduction to Samkara s method for Hindus and non Hindus alike Sets the current study in the context of a wide range of Indian North American European and Japanese scholarship First research monograph to explore in detail the interrelation between sacred text content and teaching method
