Guards John C. Rigdon,2019-11-21 Following its Secession from the Union in December 1860 South Carolina militia seized Castle Pinckney and the Charleston Arsenal and their supplies of arms and ammunition On January 9 1861 Citadel cadets fired upon the merchant ship Star of the West as it was entering Charleston s harbor The ship had been sent by the Buchanan administration with relief supplies of men and material for Ft Sumter s small garrison As the new Confederate States of America came into being late that winter old and abandoned forts were revamped around Charleston to focus upon the massive though not completed Federal fort This book is the story of the men who fought in Charleston until its fall then participated in the Carolina s Campaign to its bitter end *The Papers of Jefferson Davis* Jefferson Davis,1997-02-01 The New Year comes in auspiciously for us Jefferson Davis proclaimed in January 1863 and indeed there were grounds for optimism within the Confederacy By September however various hopes for ending the conflict with the North had given way to the harsh realities of a prolonged war increasingly confined to southern soil Although Davis suffered poor health during much of the nine month period he remained an active and vital leader Volume 9 of The Papers of Jefferson Davis gives a vivid picture of the tasks he faced Military matters consumed most of Davis time Already strained relations with Joseph E Johnston worsened in the spring and he was eventually relieved of his overall command of the western armies Surrenders at Vicksburg and Port Hudson ended Confederate access to the Mississippi River and in the East Robert E Lee s stunning victory at Chancellorsville was blotted out by bloody repulse south of Gettysburg Correspondence from Europe reveals what Davis

knew of the Erlanger loan and the diminishing chances of French and British intervention As problems for the Confederacy mounted discontent grew Davis received complaints from across the young country the conscription system being of particular concern In April he saw firsthand the unhappiness over limited resources as he took to the streets to help calm the Richmond bread riot Over 2 000 documents many never before published are included in Volume 9 Eighty one are printed with annotation 242 more in full text and about 1 750 others are calendared in summary form They show Davis fighting to maintain morale and military cohesion during one of the Confederacy's most difficult periods
