H. Spurgeon, Volume 15** Spurgeon, Charles H.,2015-02-25 Volume 15 Sermons 848 907 Charles Spurgeon 19 June 1834 31 January 1892 is one of

the church's most famous preachers and Christianity's foremost prolific writers. Called the Prince of Preachers, he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world and his many printed works have been cherished classics for decades. In his lifetime, Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel, later the Metropolitan Tabernacle in London, for 38 years. He was an inexhaustible author of various kinds of works, including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns, and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London*, Volume 6, 1878, quoting an article from the *Times* regarding one of Spurgeon's meetings at Surrey Fancy, a congregation consisting of 10,000 souls streaming into the hall, mounting the galleries, humming, buzzing, and swarming, a mighty hive of bees eager to secure at first the best places and at last any place at all. After waiting more than half an hour for if you wish to have a seat, you must be there at least that space of time in advance. Mr Spurgeon ascended his tribune. To the hum and rush and trampling of men succeeded a low, concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly; of his language that it is neither high flown nor homely; of his style that it is at times familiar, at times declamatory, but always happy and often eloquent; of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion, cant, hypocrisy, pride, and those secret, bosom sins which so easily beset a man in daily life. And to sum up all in a word, it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity. More than a hundred years after his death, Charles Spurgeon's legacy continues to effectively inspire the church around the world. For this reason, Delmarva Publications has chosen to republish the complete works of Charles Spurgeon.

[The Transatlantic Gaze](#) Mary Ann McDonald Carolan, 2014-02-01. Tracks the influence of Italian cinema on American film from the postwar period to the present. In *The Transatlantic Gaze*, Mary Ann McDonald Carolan documents the sustained and profound artistic impact of Italian directors, actors, and screenwriters on American film. Working across a variety of genres, including neorealism, comedy, the Western, and the art film, Carolan explores how and why American directors from Woody Allen to Quentin Tarantino have adapted certain Italian trademark techniques and motifs. Allen's *To Rome with Love* (2012), for example, is an homage to the genius of Italian filmmakers and to Federico Fellini in particular, whose *Lo sceicco bianco* (*The White Sheik*, 1952) also resonates with Allen's *The Purple Rose of Cairo* (1985) as well.

as with Neil LaBute's *Nurse Betty* 2000 Tarantino's *Kill Bill* saga 2003-2004 plays off elements of Sergio Leone's spaghetti Western *C'era una volta il West* Once Upon a Time in the West 1968 a transatlantic conversation about the Western that continues in Tarantino's Oscar winning *Django Unchained* 2012 Lee Daniels's *Precious* 2009 and Spike Lee's *Miracle at St Anna* 2008 meanwhile demonstrate that the neorealism of Roberto Rossellini and Vittorio De Sica which arose from the political and economic exigencies of postwar Italy is an effective vehicle for critiquing social issues such as poverty and racism in a contemporary American context The book concludes with an examination of American remakes of popular Italian films a comparison that offers insight into the similarities and differences between the two cultures and the transformations in genre both subtle and obvious that underlie this form of cross cultural exchange
