**Swift Victory** Roman Catholic Books,1997-08-01      *Swift Victory* Walter Farrell,Dominic Hughes,1955      **Swift Victory** Walter Farrell,Dominic Hughes (O.P., ),2021 *Swift Victory* is a compelling presentation of a longstanding treasured part of Christian tradition the seven Gifts of the Holy Spirit The fruit of fraternal collaboration between two brilliant twentieth century Thomists Walter Farrell O P and Dominic Hughes O P these nine chapters place the doctrine of the Gifts in their proper theological setting proceed to individual treatments of the Gifts of Understanding Knowledge Wisdom Counsel Piety Fear of the Lord and Fortitude and conclude with an inspirational meditation on the power of the Gifts to bring about the foretaste of heavenly glory Christ promised that the Advocate the Holy Spirit whom the Father will send in my name he will teach you all things *Swift Victory Essays on the Gifts of the Holy Spirit* bears out the truth that what God has promised he will accomplish In the words of Dominic Hughes Every human longing for objective answers and inward experience is superabundantly fulfilled by God s presence in the essence of the soul and his Gifts in its powers      **The Love of God Poured Out: Grace and the Gifts of the Holy Spirit in St. Thomas Aquinas** John Meinert,2018-05-01 What is the relationship between the gifts of the Holy Spirit and the action of grace John Meinert s *The Love of God Poured Out* enters into the major positions and debates within Thomism to forge a new synthesis on this topic within the greater body of scholarship existing today Meinert reads Aquinas s thought on the gifts of the Holy Spirit and grace in an integral and analogous way Not only does *The Love of God Poured Out* aid scholars in understanding Aquinas s thought on these two issues it also once more clarifies the truth that the Holy Spirit and his gifts are neither a devout appendix to moral theology nor a pious nod to tradition They are the heart and height of the moral life a life lived subditus Deo      *Global Justice, Christology and Christian Ethics* Lisa Sowle Cahill,2013-01-17 Global realities of human inequality poverty violence and ecological destruction call for a twenty first century Christian response which links cross cultural and interreligious cooperation for change to the Gospel This book demonstrates why just action is necessarily a criterion of authentic Christian theology and gives grounds for Christian hope that change in violent structures is really possible Lisa Sowle Cahill argues that theology and biblical interpretation are already embedded in and indebted to ethical political practices and choices Within this ecumenical study she explores the use of the historical Jesus in constructive theology the merits of Word and Spirit Christologies the importance of liberation and feminist theologies as well as theologies from the global south and also the possibility of qualified moral universalism The book will be of great interest to all students of theology religious ethics and politics and biblical studies      *Systematic Theology, Volume 2, Second Edition* James Leo Garrett Jr.,2014-09-14 *Rivals* the major systematic theologies of this century *Baptist History and Heritage Journal* July 1996 One of the characteristics of Garrett s system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents

alternatives that teachers and students from other confessional and denominational positions will find his work instructive

Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this

Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology

Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world

The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material

The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one

The prodigious research that must have gone into the preparation of this volume is truly mind boggling

Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint

The work is well documented in both biblical and historical scholarship and will prove to be a classic

William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study

Elizabeth Dreyer, 2007 Western theology is frequently criticized for not having a fully developed pneumatology

According to these critics preoccupation with Christology and an excessive focus on the nature and unity of God have come at the expense of a full theology of the three persons While admitting that there is some truth to these criticisms Elizabeth Dreyer maintains that those who level them base their conclusions on a narrow range of texts and thus fail to establish a true neglect of the Holy Spirit Medieval authors offer a wealth of creative language and insight that speaks to the role of the Holy Spirit in contemporary spirituality and contributes to a renewed pneumatology for the twenty first century Book jacket

**Rethinking Cooperation with Evil** Ryan Connors, 2023-12-15 Rethinking Cooperation with Evil A Virtue Based Approach applies Thomistic virtue theory to today s most challenging questions of cooperation with evil For centuries moralists have struggled to determine the conditions necessary to justify moral cooperation with evil The English Jesuit Henry Davis even observed T here is no more difficult question than this in the whole range of Moral Theology This important book addresses this challenge by applying the virtue based method of moral reasoning of St Thomas Aquinas to issues of cooperation with evil Those who pastor souls report frequently receiving questions from attentive believers about whether a particular human action inadvertently contributes to some moral evil Examples of potentially immoral cooperation with evil include whether one may shop at a particular franchise known for its support of abortion whether Catholics may attend civil marriages outside the Church or whether an organization may submit to government mandates that health insurance include payment for immoral practices Although recent moralists have tackled specific topics related to cooperation with evil agreement on an overall common paradigm has not yet been reached Rethinking Cooperation with Evil proposes a method for Christian believers and others to approach these questions from the foundation of the thought of St Thomas Aquinas and the magisterial teaching of the Catholic Church This text provides both an overall method for how to understand the issue of cooperation as well as practical counsel for specific cases Rethinking Cooperation with Evil advances the theological conversation on this topic from both speculative and practical vantage points To facilitate his argument Connors utilizes historical analyses that contrast Aquinas s method of moral reasoning with that of the casuist treatment of cooperation Consequently the book includes numerous case studies that will be of interest both to moral theologians and readers new to the topic
